

General Academics Change of Major Application

For questions or concerns regarding the application process or General Academics, please contact the Office of Academic Enhancement acen@tamug.edu

Application Requirements

1. Acceptance into General Academics (GACD) will be dependent on the student's ability to meet the minimum requirements to enter into the intended major (including prerequisite courses and GPA) in one semester.
2. Freshmen in their second semester, Sophomores, and Juniors on a case-by-case basis can be admitted into GACD for one semester. Freshmen students admitted to the summer provisional program will be considered for entry in their first semester.
3. An extension of one additional semester will be considered on a case-by-case basis if the student shows progress toward meeting the requirements and can complete the requirements in one additional semester.
4. Students will not be allowed to participate in a licensing program and enroll in STCW courses while in GACD.
5. After the application has been reviewed, an Academic Advisor from Academic Enhancement (ACEN) will contact students using their university email regarding entry into GACD.
