

Texas Science Olympiad Policy Letter

INTERFERENCE

Penalty points may be assessed for the following:

1. For a student, coach, teacher, chaperon or parent entering a building or area where events are set up for the competition or are being held, without proper authorization to do so, five (5) penalty points may be assessed.

Only those students actually competing in an event and those teachers who may be assigned to assist in the conducting of an event may enter areas where events are held. All other persons are to remain out of the building or the area at all times.

2. For a student, coach, teacher, chaperon or parent interfering with or disrupting the conduct of an event, ten (10) penalty points may be assessed.

Note this policy applies to any person in attendance at the Olympiad.

I have read and understand the Texas Science Olympiad policy on acceptable behavior regarding interference of teachers, parents, other family members, coaches and chaperones with any facet of the Olympiad competition, and I have discussed this with the team members, and will accept the consequences of violation of the policy as assessed by the Texas Science Olympiad officials. I further understand that each team is responsible for the behavior of all persons accompanying the team, and for making them aware of this policy.
