MEMORANDUM

To: Galveston County 7th-12th Grade Science Teachers

From: Dr. Clifford W. Houston, Galveston County Science & Engineering Fair-UTMB Co-Chair

Greetings! It’s that time of the year again! Please mark your calendars for the 2016 Galveston County Science & Engineering Fair for grades 7-12 sponsored by Galveston College (GC), Texas A&M University at Galveston (TAMUG) and the University of Texas Medical Branch (UTMB). The Galveston County Science & Engineering Fair will be held on Saturday, Feb. 13, 2016 at Galveston College.

Enclosed are the two following documents: 1) request letter for volunteer judges and 2) volunteer form for judges. In order to prepare registration materials and return computer printouts to you before the scheduled fair date, please register online at http://www.tamug.edu/scifair/Index.html by Feb. 6, 2016. If your school science fair is scheduled for a date after Feb. 6, then inform us by contacting the science fair registrar at sweeneym@tamug.edu A letter providing you with a computer list of submitted registered participants will be forwarded to you prior to the fair to review for accuracy. Please contact the registrar if you have not received the list by Feb. 9, 2016. A detailed agenda and a Galveston College campus map will be emailed to you in early February. If you have questions or require additional assistance, please contact Alicia C. Simmons (UTMB) at acsimmon@utmb.edu or (409) 772-9119, or Michael Sweeney (TAMUG) at sweeneym@tamug.edu or (409) 740-4564.

Thank you for your continued participation and support. Online Registration Deadline– Feb. 6, 2016 at http://www.tamug.edu/scifair/Index.html

Please check registration forms for completed information so the student certificates can be accurately prepared.
