

The TSI Pre-Assessment Activity (PAA) is located in the “Applicant” or “My Record” tab on the Howdy portal, locate the Texas Success Initiative portlet.

Click on the highlighted TSI link to get to the TSI information portlet. If your overall TSI status is not College Ready, you should also see the TSI Pre-Assessment Activity tab. You can see if you have already completed the activity or not; and then you should be able to access the PAA if you still need to complete it.
