INSTRUCTIONS

This application should be completed by all students who wish to participate in the Texas A&M Maritime Academy. All Cadets must also apply for and be admitted to Texas A&M University at Galveston through www.applytexas.org. All Cadets must apply for and receive University housing unless they are admitted to Victor Company. Acceptance to the University does not automatically lead to acceptance into the Corps. You will not be accepted to the Texas A&M Maritime Academy until you are first admitted to attend TAMUG.

Students who are admitted to the Marine Transportation degree program must also be admitted to the Texas A&M Maritime Academy Licensing Program or they will have to change curriculum. Students who were previously in the Corps and who wish to reenter the Corps must also complete this application.

I plan to participate in the following: (please check the following which apply)

☐ LO - License Option - TAMUG Cadets who are enrolled in a Merchant Marine license-granting curriculum, such as MARB-LO, MARR, MARS-LO, or MART, must complete pages 1-4 of this application and the Merchant Mariner Physical Form. The Physical Form is only valid for one year from the date issued. This includes Victor Company Cadets who participate in the LO Program and live off campus if they meet certain requirements (See Victor Company section of this application).

☐ LO/SSOP - License Option Cadets who are also applying to participate in Strategic Sealift Officer Program (SSOP). The program provides the U.S. Navy with reserve status officers that possess sealift, maritime operations, and logistics subject matter expertise, and further hold U.S. Coast Guard credentials as merchant marine officers. Complete pages 1-7 of this application and return with DODMERB physical.

☐ Victor Company - Victor Company Cadets are LO Cadets who have received permission to live off campus. See the Victor Company section of this application.

☐ NROTC - NROTC Cadets who plan to pursue an active duty commission in the U.S. Navy. Complete pages 1-7 of this application and return with DODMERB physical. NROTC applicants must provide additional materials prior to the Acceptance decision. See the NROTC section of this application for more information. Note: Victor Company Cadets may participate in the NROTC Program and live off campus if they meet certain requirements. See Victor Company section of this application.

☐ Drill and Ceremonies (D&C) Cadets - Anyone who chooses to participate in the Texas A&M Maritime Academy, but does not plan to work toward a Merchant Marine License or a commission in the U.S. Navy. Must complete pages 1-4 of this application and the DODMERB Physical.

In order to be accepted to the Texas A&M Maritime Academy:

• You must first be admitted to Texas A&M University at Galveston. Apply at www.applytexas.org.
• You must apply for and receive housing on-campus (VICTOR COMPANY excluded). The priority of your Texas A&M Maritime Academy acceptance will be based upon the date of your housing application and deposit.
• This application and the correct physical must be approved by the Commandant of the Texas A&M Maritime Academy. All other items must be submitted prior to the beginning of O-Week.

License Option and LO/SSOP Cadets will need the following to complete your file. Please provide the following as soon as possible:

• A copy of your signed social security card.
• A copy of the page from your passport that shows the date of expiration. The passport must be current (at least) through the applicant’s first summer cruise. NROTC and D&C Cadets are not required to provide passports unless they plan to attend a summer cruise.
• A copy of your TWIC (Transportation Worker Identification Credential). This must be purchased for about $135 so that you can board the General Rudder. If your card is applied for, but not received, you can submit your PreEnrollment Receipt. Apply for this at https://twicprogram.tsa.dhs.gov/TWICWebApp/. NROTC and Drill and Ceremonies Cadets are not required to provide the TWIC unless they plan to attend a Texas A&M Maritime Academy summer cruise.
• Your original birth certificate or a certified copy.
• A copy of your naturalization papers if your citizenship was gained through that process.

3 Victor Company

Victor Company Cadets do not reside in Cadet on-campus housing. Other considerations may occur, but they are expected to participate in all Cadet training. To apply to participate in Victor Company, you must be one of the following:

Will you be aged 25 or above on your first class day? yes □ no □

Are you married at the time of your first enrollment? yes □ no □

Cadets who meet these criteria will be considered for Victor Company, but approval is not automatic. Living on campus is considered an integral part of the learning experience on-the-Corps of Cadets. If you apply for Victor Company, please make sure you have been accepted to Victor Company before making housing plans. Please sign the following statement. I understand that if I am admitted to Victor Company, I will not be expected to reside in on-campus housing, but I will participate in all other Cadet activities.

**6 NROTC APPLICANTS**

If you are interested in applying to be a part of the NROTC program at Texas A&M University at Galveston, please review the application information below. If you have any questions regarding the application process, contact the NROTC recruiting officer at (409)740-4495.

**ELIGIBILITY REQUIREMENTS:**

- U.S. Citizen
- No less than 17 years old by September 1 of start of freshman year and no more than 23 years old by June 30 of that same year.
- Must not have reached 27th birthday by June 30 of the year during which graduation and commissioning are anticipated.
- Applicants with prior military service may be eligible for age adjustments for the amount of time equal to their prior service, on a month-by-month basis, for a maximum of 36 months if they will not reach their 30th birthday by June 30 of the year during which graduation and commissioning are anticipated.
- High school graduation or the equivalent certification is necessary by August 1 of the year of entrance into four-year NROTC scholarship program.
- No moral obligations or personal convictions that prevent conscientious bearing of arms and supporting and defending the Constitution of the United States against all enemies, foreign and domestic.

**PHYSICAL REQUIREMENTS:**

- Candidates must pass a stringent physical examination to qualify for the NROTC program.
- The physical and scholarship qualification processes are independent determinations. Applicants must receive a favorable endorsement in both areas before any NROTC scholarship can be granted. Many medical diagnoses are disqualifying.
- Some common conditions which are considered disqualifying are: vision not correctable to 20/20 (each eye), no color vision; history of asthma; acute or chronic cardiac/pulmonary conditions; chronic skin disorders such as cystic acne, psoriasis, atopic dermatitis or eczema; arthritis; seizure disorders, severe motion sickness susceptibility, alcohol or drug abuse; pregnancy.

**APPLICATION AND MEDICAL HISTORY REQUIREMENTS** The following documentation is required to be submitted along with the application and medical history:

- One-page essay stating why she/he is interested in joining NROTC or SSO at TAMUG.
- Social Security Card *
- Birth Certificate and/or Passport *

*A photocopy is acceptable provided the original or certified copy is available during O-Week check-in. An acceptance/declination letter will be sent once all documentation has been submitted. If accepted, a 'Welcome Aboard' package will be attached, it will include a summary of what to expect as a new NROTC Midshipman. Also, all new Midshipmen are required to attend the Orientation Week usually starting one week prior to the first day of classes. Amplifying information will be included in the Welcome Aboard package.*
DRILL AND CEREMONIES CADETS - For students who wish to participate in the Corps of Cadets but do not wish to pursue a merchant marine license nor join the NROTC program.

ALL APPLICANTS

At present, License Option Cadets may choose to major in Marine Biology with license option, Marine Sciences with license option, Marine Engineering Technology, Marine Transportation or any Graduate Studies program. Details of the license-option and non-license option curricula are found in the current catalog at www.tamug.edu/catalog.

Drill and Ceremonies and NROTC Cadets are allowed to study any academic major, however a science or engineering major is recommended for NROTC.

License Option Cadets are eligible to apply for admission to a Navy program that will see them commissioned into the Naval Reserve/Merchant Marine Reserve (SSO) at the time of graduation. This application is enclosed in the Corps Acceptance Packet, which will be mailed to you with your Corps acceptance letter. Cadets admitted to this program receive a stipend of $8,000 a year. Although the MMR program is structured to lead to a Navy or Marine Corps commission, Cadets may apply for commissions in any of the uniformed services. IMPORTANT NOTES:

1. Cadets are under continuous drug screening at all times and at any time may be tested through a random drug testing program operated by Texas A&M Maritime Academy. Drug testing will be conducted during O-Week. Testing is paid for by the University.

2. Prior to the first License Option summer training cruise, a Cadet must complete an U.S. Coast Guard approved fire-fighting program. The current cost of that program is $850 plus room and board (subject to change).

3. The initial outlay for uniforms is approximately $1,600 (estimated, for License Option NROTC and Drill and Ceremonies). Uniforms are U.S. Navy-type and no substitutions are authorized.

4. Cadets who enroll in and apply to graduate under one of the license-option curricula must complete the appropriate U.S. Coast Guard license examination for Third Assistant Engineer or for Third Mate in order to graduate from Texas A&M University.

5. On-campus housing is required for new Cadets. Failure to secure on-campus housing could prevent a new student from entering the Corps of Cadets. The housing application can be found at the www.tamug.edu website, click on Prospective Students.

6. LO Cadets must return the Merchant Mariner Physical Form. All others must return the NROTC Physical Form.

7. Please note that your physical examination must be 100% completed and signed by the physician or nurse practitioner. Visual acuity is especially important. We require the following for the License Option program:

   * **Deck Cadets:** License Option Deck Cadet applicants must have uncorrected vision of at most 20/400 in both eyes but correctable to at least 20/20 in one eye and 20/40 in the other. Color blindness is disqualifying and is tested through pseudoisochromatic plates. An applicant who fails to pass that test will be administered the “Williams” lantern test and if she/he passes that test, they will be deemed qualified. Vision beyond these parameters requires a waiver.

   * **Engine Cadets:** License Option Engine Cadets must have uncorrected vision of at most 20/200 in each eye correctable to 20/50 in each eye. They must be able to distinguish the colors red, green, blue and yellow. Vision beyond these parameters requires a waiver.

I certify that the information given on this application is true and complete and that I have read and fully understand the above statements.
