Howdy!

On behalf of myself, the Hall Coordinators, Community Leaders and all of our staff, please let me welcome you to our community here at Texas A&M University at Galveston’s Mitchell Campus Residence Life. We are so excited to have you here during this time of scholarship. This is such an incredible time in your lives. Never again will you be exposed to such a cross-section of the world. We want you to take advantage of that. Meet people you would never meet. Put yourself in situations where you can learn, and don’t be afraid to take a chance and ask the crazy question! The answers may surprise us all.

It is our mission to provide every student on campus with a place where they can safely live and learn. Past that, we seek to create an environment that fosters scholarship and encourages learning for the sake of learning.

We beg that you partner with us in building a community of Aggies that care and embodies the ideals of the Aggie Code of Honor. We do not lie, cheat, steal or tolerate those that do. We want to provide a safe environment where we can learn from each other through honest dialogues of difference. We know that our relationships are most successful when we communicate with intention in an earnest search to understand before being understood. We value those who stand up for the rights and well-being of others as well as for themselves.

But most of all, we want you each to have a fun (within reason, of course) time in college. We want you to meet the men and women who will be your groomsmen and bridesmaids at your wedding and we want you to grow to be greater than you thought you could be; to push yourselves further than you thought you could go.

We are so excited for what you are going to be. I can see it as though it has already happened.

Thank-you for letting me be a part of your journey.

Sincerely yours,

Neil E Golemo
Assistant Director for Residence Life.

Dear Fellow Aggie,

Howdy and Welcome to Texas A&M University at Galveston! We consider ourselves both honored and privileged to have been granted the opportunity to serve you this year as you move into your new home on campus. All of us in the Department of Student Life truly do want you to consider the residence halls, as well as all of campus, your new home (or at least your home away from home) for the next year.

In this manual, you will find the guidelines, procedures and hopefully many of the answers to any questions you might have. I strongly encourage you to read through this manual first, but if you continue to have any questions whatsoever, please do not hesitate to ask. Community Leaders (CLs) are stationed on every floor of every residence hall to assist you in making your experience at Texas A&M University at Galveston a positive one. If they are unable to assist you personally, they will certainly be able to direct you to someone on campus who is qualified to help. Of course my staff and I stand ready to assist you as well. If we have not already met, please drop by our office and introduce yourself once you get settled. We would love to personally welcome you into our Aggie family.

I truly hope that you enjoy your stay with us on campus this year. If you have any suggestions for improving the residence halls, please do not hesitate to contact me. I do challenge you to get out of your room and meet those who live around you. Be an active participant in turning your living area into a community of friends, rather than just a dorm room where you lay your head down at night. Get involved in campus life, the Residence Hall Association, Student Government Association, Student Activities, or any one of the number of clubs and organizations that are active on our campus. College is what YOU make of it, so help us make TAMUG the best that it can be for you.

Sincerely,

Dr. Todd Sutherland, Ph.D.
Executive Director of Student Life

The main desks in Pacific and Atlantic Halls are open Monday-Friday from 8am-2am and on Saturday, Sunday or other regular term holidays from 6pm-2am. These hours may vary during Summer and extended University holidays.

The Residence Life phone number (409.740.4445) will be answered 24 hours a day, even if the main office is not open. After hours the phone is usually answered by the Community Leader on-call. This person has access to contact other University staff members including after-hours maintenance, professional staff members, and counselor on-call.

Office of Residence Life
The Office of Residence Life is located in Pacific Hall and has desks in the Hub sections of Pacific and Atlantic Halls. It is through either of these two desks that you may have a key re-programmed, enter work-orders or get information from a Residence Life Staff Member.

Cable Television
All residence hall rooms are provided with cable television (residents must bring their own television). Our cable service includes popular channels as well as Channel 3, a local TAMUG channel that plays new and popular movies each night at 7:30 and 10:00pm. Channel and Movie requests can be made to the Office of Residence Life.

Campus Dining Services
All on-campus residents, with the exception of residents in Albatross and Polaris (who have kitchenettes) must purchase a 15 or 19 meal plan. The meal plan goes into effect at breakfast on the first class day. Students wishing to eat in the cafeteria prior to the first class day must pay cash.

Room Lock Outs
If you lock your key in your room you should report to the Office of Residence Life. The Residence Life staff will issue a temporary key for a maximum of thirty (30) minutes in order for you to return to your room and retrieve your key. You must then return to the Office of Residence Life with the temporary key and your student ID. Residence Life will then take the temporary key and reactivate your student ID (or verify you found your actual hard key for Albatross and Polaris). NOTE: Once a temporary key is used in your door lock, your student ID will no longer work, and therefore must be recoded at the Office of Residence Life. Broken, lost, or unreturned temporary keys will result in a $10 charge to the resident, or $75 charge for the replacement of a hard key lock.

If your key card breaks or is lost, you may report to the Office of Residence Life to be issued a temporary key. The temporary key should then be inserted into the door lock to deactivate the old key. This will prevent anyone else from using your ID to enter your room. A temporary key can be issued for thirty (30) minutes, or up until 12:00 pm the following day, depending upon the circumstances and at the discretion of the Office of Residence Life. Sea Aggie Alert – Emergency Communications System
Texas A&M University at Galveston utilizes an emergency notification system to send instant notifications to registered users mobile phones, e-mail addresses, pagers, and on the TAMUG web page. Registering for E-2 Campus is the surest way for you to receive notifications critical to your safety and well-being. The registration link is available on the TAMUG homepage (www.tamug.edu).

Access Card System
The Onity Access Key Card system is an electronic key system. It allows University to provide increased security and safety for all residents. Your student ID serves as your access key to your room and, for buildings with exterior hall security locks, access to your building. Each student ID is individually coded for that resident’s room and building, and only two (2) occupant keys can open your door at any given time.

OPENING YOUR DOOR
1) Insert key, arrow down and facing you, into your door lock.
2) When the green light appears, push the handle down and your door will open. For hallway doors, simply push the door open.

LOCKING YOUR DOOR
1) Close door firmly and door will lock automatically.
2) Pull up on interior door handle to engage deadbolt lock

MAINTAINING SECURITY
In order to provide the highest level of security and health for all of our residents, please abide by the following:

1) Keep your key card in your possession at all times. University rules require you to carry identification and prohibits loaning your key to anyone.
2) Keep doors locked when you are not in the room, even if you are leaving for ‘just a few seconds’; it only takes a few seconds for someone to enter your room without your knowledge or consent.
3) DO NOT place foreign objects into or otherwise damage or deface a door lock; this can result in damage to the door lock and/or breaching security for all residents in the room and/or hall. Damaging door locks may also result in disciplinary action by the University for ‘Destroying, damaging, or littering of any property’ (See Student Life Rule 24.3.10) and also result in financial restitution to the University by the student.
4) DO NOT leave doors propped open or otherwise unsecured; this can result in door malfunctions, health hazards such as mold or mildew growth, and/or breaching security for all residents in the room and/or hall. Leaving doors unsecured may also result in disciplinary action by the University for ‘Breaching campus safety or security’ (See Student Life Rule 24.3.5)

Emergency Contacts/ Missing Persons
During the housing application and contract renewal processes, students living on campus are required to provide at least one emergency contact to the Office of Residence Life. This information will be kept confidential and will only be utilized by Residence Life staff and other TAMUG staff members with emergency response job responsibilities, in the case of emergencies involving students such as death, life threatening injuries or a missing person report. Students may update their emergency contact information at anytime by contacting the Office of Residence Life.

On-campus residents should contact residence life staff or the Campus Police if they suspect another student is missing. Upon receiving the report of a missing student, Residence Life staff members will work with Campus Police to investigate.
**Emergency Preparedness**

**IMPORTANT NUMBERS**

- Ambulance or Police Emergency (24 hours)…………………………………….911
- Student Health Services (Student Service Office)…………………………………409.740.4736
- Campus Police (24 hour) …………………………………………………………..409.740.4545
- Student Life Office………………………………………………………………..409.740.4561
- Office of Residence Life (24 hours)…………………………………………………409.740.4445

In order to protect our students, TAMUG has state police officers on duty 24 hours every day of the year. They can be alerted to emergencies by calling 9.911 from any campus phone. If it is a non-emergency, call the Campus Police office at 409.740.4545, or their cell phone at 409.771.5185.

**Fire Alarms**

Each building is equipped with a fire alarm. They are here for your protection; students should not tamper with them. If a fire alarm sounds, you should:

1. Quickly put on a coat and hard-soled shoes.
2. Take a towel with you to put over your face to prevent smoke inhalation.
3. Close your windows.
4. Check your door or doorknob. If it is hot, do not open it. If it is cool, exit cautiously and lock your door. Be sure to take your keys and your University ID Card.
5. Walk quickly, in an orderly manner, through the exit for your area and to your designated evacuation location (posted on the back of your front door)
6. DO NOT re-enter the building until you are told to do so by a residence life staff member or TAMUG employee

Everyone, including residence hall personnel, must leave the hall when the alarm sounds.

Tampering with a fire alarm device is a Class C Misdemeanor and is punishable by a fine up to $500 or 180 days in jail or both. *Initiating a false alarm is a Class A Misdemeanor and is punishable by a fine of up to $4,000 or one year in jail or both.* In addition to violating state law, initiating false alarms and tampering with fire alarm equipment could jeopardize the safety of all residents in the hall.

**Additional Tips in the Event of a Fire**

By following the guidelines listed below, you will have the best chance of surviving a fire with the least amount of personal injury and property damage.

1. **Know at least two ways to exit from your room.** If you live in Hullabaloo or Oceans hall it is necessary that you keep your balcony free of anything that could block an escape. Practice finding your way with your eyes closed (have someone help you do that). Smoke rises, so you want to crawl below it. Be prepared to reverse your direction or return to your room. Keep one hand on the wall in the direction you turn, so you can keep your orientation.
2. **Memorize landmarks, such as drinking fountains and bulletin boards.** If you do become disoriented, enter any room that will provide refuge until you are rescued.
3. **If a fire alarm sounds, exit the building immediately and keep a safe distance from the building.** Prior to leaving your room, feel the highest portion of your door. If it is hot, do not open it. If it is cool, brace yourself against the lower portion of the door as you open it. If the hallway appears safe, take your key with you, close your door, and exit the building. Follow instructions from hall staff or emergency personnel.
4. **If you cannot leave your room for safety reasons, block cracks around the door with wet towels.** Call 9-911, giving your name, room number, and situation. Do not leave your
room until you are told it is safe to do so, fire fighters will evacuate those most in danger, so you may not be evacuated immediately. If smoke enters your room, lie on the floor for the freshest air. Open the window if there is no smoke visible on the outside. Attract attention by dangling a sheet (daytime) or flashing your room lights (nighttime). If you must break a window, use a chair and knock out all of the glass to provide the most ventilation.

5. If you are the person who discovers a fire, activate a pull station. When you get to a safe area outside, call 911. Answering their questions clearly will ensure a quick response from emergency personnel.

6. Do not reenter the building until instructed by staff, even though this may be some time after the fire appears to be out, since the building has to be inspected. Emergency personnel will secure the building to ensure the residents' privacy and property security.

By following these suggestions, you will provide yourself with the best chance of surviving a fire. Review these tips often, practice your exit routes, and follow good fire prevention practices to ensure you will not have to use these skills.

Fire and Life Safety Inspection

In the wake of recent residence hall fires and subsequent inspection by the State Fire Marshall's Office, the Housing Department has begun conducting fire and life safety inspections of all campus residence halls. These inspections are conducted each semester. The intent of these inspections is to increase the level of safety and safety awareness for all occupants of the residence halls. These inspections will include residence hall rooms and staff offices as well as all mechanical and common areas.

Inspections will begin around the fifth week of the semester and will continue until all residence halls have been inspected. All inspections will be conducted between the hours of 10 am and 8 pm and will be conducted in the presence of a residence hall staff member. Advance notifications of all inspections will be provided to hall staff. Notices will be posted on bulletin boards to inform residents, and if you are available, you are encouraged to be present during the inspections of your room. A follow up inspection may be necessary if needed changes are noted.

Safety practices in general and the checklist of items noted in this section will be the primary focus of these inspections. Campus Housing and Residence Hall Staff appreciate your cooperation in this effort and will make every effort to minimize inconvenience to occupants during these inspections.

The most frequent safety problems found during room inspections include: candles/incense; prohibited/unapproved appliances; combustible liquids; covered, blocked, or tampered with smoke detectors; overloaded electrical outlets; tapestries/wall hangings placed directly over a bed; egress (exit) blocked; refrigerators and/or microwave ovens plugged into extension cords and not directly into a wall outlet; unsanitary room conditions with excess clothing or paper on the floor; windows obstructed with furniture; and deactivated door closures.

Heat and Smoke Detectors

A heat/smoke detector is mounted in each room. The device is critical to early fire warning and can save many lives. As such, do not hang articles from the detector, cover it with anything, or attempt to disconnect it in any fashion. Tampering with the alarm is a violation of state law resulting in possible fines and jail time. University disciplinary action will follow. Each resident will be held responsible for any damage to the heat/smoke detector and will be billed for any repair/replacement cost.
Severe Weather

TORNADESE/SEVERE THUNDERSTORMS

Local radio and television stations announce tornado watches when the weather conditions are right for a tornado but none have been sighted, tornado warnings when a tornado has been sighted, and storm alert when a severe thunderstorm is approaching. Follow these procedures if there is a tornado or storm alert:
1) Stand clear of windows, exterior walls and doors.
2) Move to small interior rooms. (i.e., bathrooms, closets, etc.)
3) Avoid standing near areas which may be glass enclosed.
4) If you are unable to move to small interior rooms, get under something sturdy if possible (i.e., sturdy tables, desks, etc.)
5) If time permits, go to the lowest possible floor and stay with a friend.
6) Call 9-911 if emergency help is needed

HURRICANES

Hurricanes are a threat to Galveston Island. Hurricane season generally lasts between June and late September. These storms are the most dangerous and destructive of any tropical system (including Tropical Disturbances, Tropical Depressions, and Tropical Storms.) Hurricanes bring winds in excess of 64 knots (74mph), heavy rains, and are a major hazard to property, life and limb. As such, there is a possibility that students may be asked to evacuate the campus because of the hurricane threat. The following precautions should be taken at this time:

Arrange now for TRANSPORTATION, should evacuation be ordered.
- If evacuation is necessary, all students will be required to depart campus.
- Automobiles should be filled with gasoline as soon as possible and driven only as necessary. Arrangements should be made to remove all automobiles from campus if evacuation is ordered.
- Students without transportation should make arrangements for a ride with fellow students.
- Persons with vehicles are asked to share space with those who have no vehicle. If you can provide a ride to other students, please notify the Office of Residence Life of your destination and numbers of passengers you can accommodate.
- If you are unable to arrange transportation, report to the Office of Residence Life as soon as possible.
- All students will be instructed to fill out an online form informing the University of their destination and travel arrangements, this is to assist the University in assuring all students are safe and accounted for.

Prepare for safety of any PERSONAL BELONGINGS that you plan to leave behind.
- Students in the residence halls should lock up all personal belongings to secure against looters.
- In the event of an evacuation, students should bring books, uniforms, and other course-related materials. In the event of a direct-hit and damage to campus, it is possible campus may not be accessible for an extended time and classes will continue from an alternate location (such as College Station).
- If the order to evacuate is given, personal gear should be placed on top of furniture and/or moved to the bathroom. Clothing, bedding, and shoes should be protected from possible flooding.
- All electrical appliances should be unplugged except aquarium pumps and air conditioners.
- Clear all balconies and outside areas of personal gear.
• Clean all refrigerators. Unplug them and leave the doors open. All food should be taken with you or carried outside to the dumpster.
• Empty trash cans.
• Lock all doors and windows to include bathrooms and patios. Do NOT duct tape windows.
• If you have an aquarium, leave fish food out and available so that emergency personnel can feed your fish while you are absent, if possible. Securely tape a 3x5 card indicating “Feed Fish” on the outside of the doors of interior hallway residence halls or in the windows of exterior hallway residence halls. Students should not count on this service.
• Remove all rugs and personal carpets from the floors.

Evacuation SHELTER for a limited number of students who cannot make other arrangements will be provided at Texas A&M University, College Station, TX.
• If you require such shelter, notify your Community Leaders as soon as possible and indicate this on the Emergency Information Sheet.
• Additional information concerning these arrangements will be available from the Student Services Office.

CHECK OUT is prior to leaving.
• Emergency Information Forms will be online, accessible through www.tamug.edu. Please complete these forms prior to leaving.

Listen for ANNOUNCEMENTS for the resumption of classes.
• The media will be asked to announce both cancellation and resumption of classes. Local radio station KGBC runs 24-hour hurricane announcements.
• The Texas A&M University at Galveston number for information is 409.740.4400.
• The Texas A&M University at Galveston webpage (www.tamug.edu) will be the best source of information.

Once back on campus you should be aware of potential hazards that may exist. Remain aware of your surroundings. Wild pigs, snakes, and rats are likely to be present, although University personnel shall make every effort to clear the area before your return. If you are bitten by any of the above, seek the necessary medical attention. Report the incident to the Office of Residence Life after receiving proper medical attention.

ADDITIONAL INSTRUCTIONS AND INFORMATION will be disseminated through the Community Leaders, Residence Life, Student Services, and Campus Police.
Leadership Opportunities

The Office of Residence Life has several leadership opportunities available to students, both paid and non-paid.

**Community Leader** – The Community Leader (CL) is an important member of the residence life staff. He/she is generally an undergraduate peer leader who works with a group of residents on the floor they also reside on. The community leaders are supervised by the Housing Coordinators, and also report to the Assistant Director for Residence Life and Director of Student Life. For students living in Corps of Cadet housing, Company Commanders (CO) or Executive Officers (XO) also serve as Community Leaders. Working together, the Community Leaders support students' needs and are available for conflict mediation, helping residents to transition and make connections to campus resources, and enjoy providing engaging programs for their residents to enjoy. Community Leaders also staff the desk in the Office of Residence Life.

**Alternate Community Leader** – Alternate Community Leaders are Community Leaders with slightly different responsibilities of the Community Leader. Typically, the ACLs work in the Office of Residence Life during the day.

**Residence Hall Association** – The Residence Hall Association is a group of students who work to provide fun and engaging activities for their fellow residents on-campus. They work with the company providing care packages to students, coordinate Halloween Howl, and contribute to decisions regarding movie channels or other services for residents.
Housing Assignments

Office of Residence Life personnel must officially check you into your room when you enter housing (or are authorized to change rooms) and officially check you out of your room when you leave housing (or are authorized to change rooms). You will sign a housing contract, fill out an "in case of emergency" form, and receive a "Room Condition Report" or "RCR" to check the inventory and condition of your room and bathroom. Residents will be held accountable for any new damage or missing furniture. Failure to officially check in/out of a room will result in an “Improper Check-In/Out” charge. This is for YOUR protection as it allows you to be present when damages are assessed.

Check-In

You must come to the Office of Residence Life to check into your assigned room. For Fall, Spring and Summer terms, specific days are designated as check-in days. Students may not check-in to their room prior to this designated day without written permission from the Assistant Director for Residence Life.

1) Room Condition Report - This is due within two days of check-in. Check each item listed and note any damages. Be sure to check your room carefully; you will be charged for any damage found at check-out that has not been noted. Verify the inventory number on each piece of furniture according to the Report. Be sure to note any damage to the furniture. You are responsible for the furniture and the condition of the furniture noted on your inventory sheet. Any missing, broken, damaged, stacked or extra furniture will be charged. You must sign this Report and return it to Residence Life within two days of check-in. Please note that damages or missing furniture not also noted in a "work order" may not be addressed immediately.

2) It is important to take your time and do a thorough check-in. A good check-in results in a good check-out and alleviates charges for damages that were not there when you entered the room. Remember that you will be charged for damages not noted at check-in but found at check-out time.

Due to the lack of storage, we are unable to remove any University furniture from the residence hall rooms. Furthermore, students ARE NOT allowed to remove University assigned furniture from their rooms; doing so can result in charges to the resident

End of Semester Check-Out

1) Be sure to make an appointment time for your check-out with your Community Leader. Failure to make an appointment may result in an improper check-out charge.

2) At the time of check-out, a Residence Life representative will go with you to your room with the RCR. Your room should be ready for check-out according to the Check-Out Instructions:

   All items must be removed from walls for wall inspection, including posters, pictures, flags, etc. (including your roommate’s). If not done at check-out time, check-out will not be done. You must then return to Residence Life when items are removed to restart the check-out process, and wait for an Office of Residence Life representative to become available to conduct your check-out.

   Furniture must not be stacked on other furniture pieces or other objects, including furniture used by your roommate! The Office of Residence Life representative must be able to read inventory numbers of all furniture in the room. A moving charge of $15.00 will be assessed for each piece of stacked furniture.

   Beds must be lowered and assembled correctly. Bed frames must be lowered to approximately seventeen (17) inches above the floor.
The entire room and bathroom must be clean. Cleaning charges may be assessed for sweeping, mopping, bathroom cleaning, or other cleaning.

All stickers and signs must be removed from doors, windows, and/or furniture. A removal charge of $5.00 will be assessed for each sticker/sign not removed.

Entrance doors must be free of any drawing/writing.

Personal items or furniture left in rooms, hallways, or on patios, balconies, and walkways, will be assumed to be abandoned and disposed of by University personnel. This includes bicycles, unless it has a registration sticker obtained from Campus Police. A moving charge of $15.00 will be assessed for each piece of non-University furniture, carpeting, or other belongings left in the room. If you want to keep it, please take it with you!

The furniture (by inventory number) that was in your room at check-in must be in your room at check-out, otherwise you (and your roommate, if also responsible) will be charged for the “Replacement Cost” of each missing piece. No consideration is given to age or condition of the missing furniture; you will be billed the cost of a new piece. You may request a copy of the inventory numbers assigned to your room in order to locate furniture and attempt to reconcile any problems.

All of your belongings must be out of the room at the time of your check-out. After check-out is complete, you will not have access to the room. The Residence Life Representative will secure the room and be the last to leave the room.

3) The Residence Life representative will verify the inventory numbers on each piece of furniture in your room. Any missing or extra furniture will be charged to you accordingly. The furniture should not be stacked and all inventory numbers must be accessible.

4) A close review is made of the cleanliness of the room and cleaning charges are assessed if appropriate. Also, any damage to the room is documented and given to the Office of Residence Life so that charges can be assessed. During a regular check-out period (end of school year, winter break, etc.), damages are assessed at one-half the charge to each room occupant. If you are checking out at any other time, you will be charged the full amount, unless your roommate provides a written statement taking full responsibility for the damage and giving it to Residence Life. Each student is responsible for cleaning the room and bathroom at the time of check-out. Cleaning charges are not split.

5) Students must sign the Check-Out sheet.

Express Check-Out

Students may choose to sign up for an Express Check Out. Although easier for residents as they do not need to be present, the Office of Residence Life encourages students to do a standard check-out and be present when their room is reviewed. Both residents must choose to sign up for the express option, or neither may participate. The Express Check Out requires students to have made all the same preparations as a regular check out, but allows students to depart without setting up an appointment with the Office of Residence Life. In effect, they are waiving their right to be present with Residence Life staff during check out of the room. This means that charges cannot be contested at a later time. Paperwork must still be completed, any hard keys must be returned, and both residents are still responsible for any damages or charges assessed during check out. Residents MUST sign up for an express check-out prior to finals week. For more information on Express Check Out, please contact Residence Life at 409.740.4445.
**Roommate Conflicts**

One of the exciting parts about living on campus is expanding relationships with other Sea Aggies. While it can be scary not to know your roommate, many great friendships begin with sharing new experiences.

Many students experience questions or anxiety about living with someone new. It is our goal to assist students in developing these new relationships. We do not accommodate roommate change requests based on first impressions or assumed differences. When conflicts arise, we encourage roommates to communicate their concerns to each other honestly and constructively. However, we acknowledge there are times when a third-party perspective, such as from a Community Leader or Housing Coordinator, helps in the mediation process.

**Roommate Communication**

One of the first things that you may complete upon move-in, is the Roommate Contract. Residents may ask their Community Leader for a Roommate Contract if one is not provided. The purpose of this contract is to foster relationships between roommates. During this time, you will discuss one another's needs and rights in your shared living arrangement. The Roommate Contract is a way to reduce the potential conflict between roommates. Changing rooms is one of the last options possible.

If you are experiencing conflicts with your roommate/suitemates, we encourage you to first discuss the concerns with your roommate/suitemates. If the issue cannot be resolved, then the next step will be to discuss the concerns with a community leader. Community leaders are trained and prepared to help residents with potential roommate conflicts. Should the issue not be resolved between the two roommates, and the community leader; then the next step will be to discuss the conflict with a Housing Coordinator. Housing Coordinators are professional staff members who oversee conflicts that require a third party and are trained in conflict resolution and low-level mediation. If after a concerted effort from all roommates does not resolve the issue to a habitable level, we're happy to explore other living options, which may include a move. Typically, students cannot ask that a roommate be relocated. Only in rare cases that involve a documented breach of university policy will a student be reassigned or removed from their assignment.

**Room Changes**

Room change requests may be honored under certain circumstances. We acknowledge that at times assigned roommates will not be able to live together any longer. If you have made every honest attempt (as outlined above) to resolve roommate conflicts, we may approve a room change request. We also recognize that a group of students may determine that switching rooms amongst themselves may be desirable. In this circumstance, all involved individuals must speak with the Assistant Director of Residence Life and complete the room change request form. Additionally, residents may take advantage of the form available in Residence Life to request a room change between Fall and Spring semesters.

**Housing Deposit**

Texas A&M University at Galveston assesses a $300 deposit in order to reserve a residence hall space. Once a student is living on-campus, this deposit acts as a damage deposit and may be used to cover the cost of damages if a student does not pay for any damages prior to leaving TAMUG.
Refunds

If a student is not returning to Texas A&M University at Galveston and would like his or her housing deposit refunded, he or she must submit a completed Housing Deposit Refund Request form, available in the Office of Residence Life, at the time of your checkout. Students may also send a written request to the Office of Residence Life or Students Life to request a housing deposit refund. Letters must specifically request a refund, and include the student’s name, student ID number, mailing address and daytime phone number. Requests may also be sent via e-mail to reslife@tamug.edu.

Only students leaving housing permanently should request a housing deposit refund. Students leaving housing but remaining enrolled at TAMUG must complete a Request To Live Off Campus form and receive approval before checking out of campus housing. Any charges assessed at check-out time will be deducted from the housing deposit.

It takes approximately six to eight weeks to process housing deposit refunds.

1. PERIOD OF CONTRACT:
(A) The term of this contract is for the Fall 2012-Spring 2013 academic year, or if entered into after the start of the Fall semester, for the remainder of the academic year. Housing charges do not cover periods between semesters. The University reserves the right to utilize rooms as necessary between semesters. Students will be given prior notice to turn in their key and vacate their room during these periods.
(B) The student may occupy an assigned room beginning on the day the halls officially open until the halls officially close. Failure to properly check into the residence hall by 5:00 p.m. on the day before class begins each semester could result in the assignment of the room to another student. Further, upon such failure, the University shall have the right to retain the $200 housing deposit (the “Deposit”) which accompanied the housing application as liquidated damages. Proper check-in consists of contacting a hall staff member in the student’s assigned hall during the check-in period (between the hall opening date and 5:00 p.m. of the day before classes begin) and receiving a room key and all check-in materials and publications. Every effort will be made to hold the original assignment if the Office of Student Life is notified of an anticipated delayed arrival; however, it may be necessary to assign the late student to other accommodations. All students must check out of the hall and remove their belongings within 24 hours after graduation or the last University final examination, whichever is later. Proper check-out consists of contacting a hall staff member in the student’s assigned hall, returning the room to its original, clean condition, having the room inventoried, returning the keys, and completing the necessary paperwork. Housing during periods when classes are not in session may be available if there is sufficient demand. Additional housing charges will be required of each student desiring such accommodations. The University reserves the right to consolidate intern students during break periods into one residence hall. Students must sign an Interim Housing Agreement prior to moving in during the interim period.
(C) In the event of a hurricane, natural disaster or event causing a closure of campus for an extended period of time, or in the event that the assigned accommodations are destroyed, made untenable as determined by the University, or otherwise made unavailable for any reason, including but not limited to causes beyond the University’s control such as fires, smoke, hurricane, natural disasters, floods, hail, tornadoes, or similar events, the University reserves the right but not the obligation, to continue this contract by furnishing other accommodations including but not limited to providing accommodations on a different campus and/or in a different city should the University decide to resume classes elsewhere. The University shall give the student notice of its determination as to whether it shall provide other accommodations as soon as practical after the applicable event. If the University does not furnish other accommodations, then this contract will terminate, all rights and liabilities of the parties will cease, and housing charges previously paid by the student will be refunded on a prorated basis to the student upon request.
(D) Any student moving into or leaving a hall before official opening or after the closing date must have approval from the Director of Student Life or designee and
maybe charged a daily room rate in addition to the normal housing charges.

2. CONSIDERATION OF THE CONTRACT:
   (A) This contract is personal and non-transferable. It guarantees the student a license to occupy and use a space on campus (not a particular room, residence hall, or roommate choice). The Office of Student Life reserves the right to make all hall and room assignments and to make any subsequent changes considered advisable or necessary. Students are not permitted to assign or sublease their room to another student.
   (B) Students may use rooms for residential purposes only. Other uses are in violation of University policy and may result in the termination of the contract and/or disciplinary action.
   (C) This contract is issued only after the University has officially accepted a student for admission. If a student fails to enroll, advance Notice of Residence Hall Termination must be provided as outlined in Section 5(B) of this contract. Continuance of this contract and/or transfer of the Deposit are dependent upon the student’s continued enrollment in the University as a full-time student (at least nine hours/semester). The student must properly check out and vacate the halls within forty-eight (48) hours after withdrawal from the University or termination of this contract. Failure to do so may result in additional billing and/or charges.

When the Director of Student Life or designee believes that the continued presence of a student in the residence halls poses a continuing danger to persons or property or presents a threat of disrupting the normal operations of the residence halls, the student may be removed from campus housing. Students who are removed from the Residence Halls for behavior not in-keeping with Student Life community standards and rules will automatically forfeit their housing deposit and are subject to the termination charges outlined in Section 5(D) of this contract. By signing this contract, the student grants the University the right to conduct a criminal background check on the student at any time, either prior to room assignment or during the term of this contract. The University reserves the right to deny a student a room or immediately remove a student from University housing based on information obtained in a criminal background check, including, without limitation, when the student is a registered sex offender (whether public or nonpublic). This provision should not be interpreted to impose a duty on the University to run a criminal background check on any student.

7. RENEWAL OPTION: All eligible students may renew their contract each academic year during the contract renewal period in the Spring. The entire housing deposit will be transferred each semester as long as the student remains enrolled and lives in a University residence hall. obtained from the Department of Student Life before any substantial changes are made to residence hall rooms. This includes painting, construction of lofts, and structural renovations to the room and its contents, etc. The University agrees to provide garbage collection, hot and cold water in reasonable quantity, and electricity in sufficient quantity to heat/cool the facility according to the heating/cooling system of the residence hall. The University will not be responsible for disruptions in service that are beyond University control. In the event of utility or facility disruptions, housing charges will not be reimbursed.

(B) The student will be held accountable for the condition of the room (other than normal wear and tear) and all furnishings assigned to that room, and will reimburse the University for all damage to or loss of these furnishings and accommodations. Students are responsible for maintaining the cleanliness of their rooms and residence hall public areas. Additionally, students may be held accountable for any abnormal wear, damages, or cleaning in public areas of their hall to include billing of damages to individual students when confirmed, as well as billing of damages or abnormal cleaning to living unit groups if damages and/or vandalism can be attributed to a specific floor, ramp, wing, or a section therein. Determination of the amount of such loss or damage will be made by the University. Students may be referred to Office of Student Life. Failure to pay the assessment may result in a registration, graduation, and transcript block, loss of the housing deposit and/or loss of future housing privileges.

10. TEMPORARY ASSIGNMENT ACCOMMODATIONS: At the beginning of each semester, occupancy may be expanded through the assignment of students to study rooms, recreational rooms, and “tripling” of what are normally double-occupancy rooms. New students assigned to permanent spaces as well as returning residence hall students should be prepared to be assigned a third roommate and may not know until their arrival that a temporary assignment has been placed in their room. Temporary assignment spaces are used until regular double occupancy room accommodations become available, which may be the entire semester. Students who accept over assignment accommodations are bound by all the provisions of this contract. Students remaining in temporary assignment conditions after the third week of classes will receive a prorated reduction in their housing charges.

12. HALL CHANGES: Hall changes are made based on availability. Residents changing halls during the contract period, from a less expensive to a more expensive hall, will be required to pay the difference in housing charges. If the move is to a less expensive hall, the housing fee difference will be refunded, normally after the 12th class day. Housing fee differentials will be computed on a prorated basis unless the move is completed prior to the first day of classes.

13. ROOM CHANGES: Students may request relocation to another room within the same residence hall, at times specified by the Office of Student Life throughout the year. Residents must submit Room Change Requests to their hall staff. The hall staff must first approve the request, before the move(s) can take place. Residents who move prior to receiving written approval may be subject to a $25.00 charge and disciplinary procedures.

14. WAIVER AND INDEMNITY: WITH THE EXCEPTION OF THOSE CLAIMS ARISING OUT OF THE UNIVERSITY’S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, THE UNIVERSITY SHALL NOT BE LIABLE TO THE STUDENT, OR THOSE CLAIMING THROUGH OR UNDER THE STUDENT, FOR INJURY, DEATH OR PROPERTY DAMAGE CAUSED BY ACTS OF NATURE, FIRE, WATER, SMOKE, UTILITY OR EQUIPMENT MALFUNCTIONS, OR CAUSED BY THE NEGLIGENT CONDUCT OR ACTS OF ANY OTHER PERSON OCCURRING IN, ON OR ABOUT THE RESIDENCE HALLS, AND THE STUDENT SHALL INDEMNIFY THE UNIVERSITY AND HOLD IT HARMLESS FROM ANY SUCH CLAIM OR DAMAGE.

Student residents are strongly advised to carry a personal property (i.e., renter’s) insurance policy. The University only carries insurance on University-owned buildings and property, and such insurance will not cover the cost of replacing residents’ property and personal items.

16. ROOM ENTRY: The University reserves the right to enter a student’s room for the purposes of inspection of University property, to seek missing residence hall furnishings, to initiate improvements or repairs, pest control measures, to control the rooms in the event of an epidemic or an emergency, to insure evacuation during fire drills, or for any other purposes as stated in the University Regulations or Residence Hall Handbook.

Copies of these publications are distributed at check-in during the Fall, Spring, and Summer semesters and posted on the Department’s website.

18. CORRESPONDENCE AND REFUNDS:
(A) Housing Assignments Office correspondence and University billing refunds will be mailed to the student at the address designated by the student in his or her housing file. Address changes should be reported to the University Records Office.

19. ROOM ASSIGNMENTS: The University draws students from many states, nations, races and religions. It will be the responsibility of each student to respect the rights of all residents in University residence halls. Admission to the University and any of its sponsored programs is open to qualified individuals regardless of race, color, religion, sex, national origin, or disability. Room and roommate assignments are made without regard to race, color, religion, disability, or national origin.

20. RELATIONSHIP OF PARTIES: This contract creates a license to occupy and use the room assigned to the student as the student’s temporary residence during the term of this contract and is not a lease of University property. No landlord/tenant relationship shall be construed between the University and the student.

21. MISCELLANEOUS PROVISIONS: The University has the right to determine when provisions of this contract are violated and to determine the appropriate course of action. If any section or subsection of this contract is ruled to be illegal or invalid, this will not affect the validity or enforceability of the remaining provisions of the contract.

22. GOVERNING LAW: The validity of this contract and all matters pertaining thereto, including but not limited to, matters of performance, non-performance, breach, remedies, procedures, rights, duties, and interpretation or construction shall be governed and determined by the Constitution and the laws of the State of Texas. Smoke-Free Campus Policy

The most current, complete, and official University Student Rules can be found online at [www.tamug.edu](http://www.tamug.edu) (under the “Administration” tab. The following is an excerpt that is provided for your ease of use and was current at the time of printing. Please refer to the actual website for the most current and up to date rules.

The University has had a long-standing policy prohibiting smoking and other tobacco use inside office and classroom buildings, dormitories and other residential areas and at athletic facilities. The new modification expands the prohibited smoking areas to include sidewalks, parking lots, walkways and attached parking structures immediately adjacent to all such buildings and facilities. The newly modified rule also applies to all vehicles owned, leased or rented by the University.

The changes are the result of a thoughtful decision-making process based on well-documented evidence that use of tobacco products pose significant health risks. Those health risks extend to non-users of such products as well as to users.

The safety and health of our students, faculty and staff, as well as that of our visitors, are always of the foremost concern in making decisions about campus operations. Thus, we feel it highly appropriate that we take this additional step.

Forward

Texas A&M University at Galveston is a community that is dedicated to personal and academic excellence. Choosing to join the community obligates each member to a code of civilized behavior. The purpose of this handbook is to present the rules that govern student conduct and student activities at Texas A&M University at Galveston and that describe faculty and staff obligations in their work with students. These rules result from years of experience and are the products of student, staff and faculty thought.

The Galveston campus edition of the University Student Rules is slightly modified from the College Station edition to delineate procedures that effectively accommodate the smaller campus functioning 150 miles from the central university administration.

Each individual student, faculty member and staff employee is expected to read this handbook carefully and observe its requirements. Particular attention should be given to the Aggie Code of Honor, the University Statement on Harassment and Discrimination and the Students’ Rights and Responsibilities.

No rule, no matter how carefully worded, can cover all eventualities completely. These rules should, therefore, be followed in the spirit in which they are intended: The conduct of all members of the Texas A&M University at Galveston community should be above reproach.

Aggie Code of Honor

For many years Aggies have followed a Code of Honor, which is stated in this very simple verse:

"An Aggie does not lie, cheat, or steal or tolerate those who do."

The Aggie Code of Honor is an effort to unify the aims of all Texas A&M men and women toward a high code of ethics and personal dignity. For most, living under this code will be no problem, as it asks nothing of a person that is beyond reason. It only calls for honesty and integrity, characteristics that Aggies have always exemplified.

The Aggie Code of Honor functions as a symbol to all Aggies, promoting understanding and loyalty to truth and confidence in each other.

University Statement on Harassment and Discrimination

Texas A&M is committed to the fundamental principles of academic freedom, equality of opportunity and human dignity. To fulfill its multiple missions as an institution of higher learning, Texas A&M encourages a climate that values and nurtures collegiality, diversity, pluralism and the uniqueness of the individual within our state, nation and world.
University Housing and Residence Hall Rules

The most current, complete, and official University Student Rules can be found online at www.tamug.edu/reslife (under the “Residence Life Rules” tab.)

University Housing (Revised: 2013)

32.1 With limited exceptions, all single undergraduate students enrolled in more than nine credit hours are required to live in campus housing and participate in the board plan provided that space in campus housing is available. Exemptions to the housing requirement based on special circumstances will be considered upon written request to the Assistant Vice President for Student Affairs & Auxiliary Services. Exemptions cannot be granted based upon economic consideration and will generally only be granted when a student qualifies as married, single parent and guardian, veteran, twenty-one or older, or living with parent or guardian (not generally available to License Option/NROTC students).

32.2 Cadet Corps Housing

32.2.1 All new U.S. Maritime License Option and NROTC cadets are required to live in campus housing. Applicants will be able to participate in the Cadet Corps only if campus housing is available for them. To be considered for a housing assignment, students who elect a license-option or NROTC program of study must apply for housing and notify TAMUG of their intent to enroll in a cadet program before July 15.

32.2.2 Cadets requesting to move off campus based upon a qualifying exemption must submit a request in writing with requested documentation to Student Life. All cadet applications qualifying for an exemption will be forwarded to the Superintendent of the Texas State Maritime Program for approval.

32.2.3 Off campus residency is a privilege that can be revoked at any time a cadet's academic, training, or discipline record reflects inadequate developmental progress. Additionally, cadets who are granted off campus housing privileges may be required to reside or remain on campus during pre- and post-cruise periods, for overnight watch or duty assignments, or when tasked with certain Corps leadership responsibilities. Off campus residency may preclude a cadet from specific leadership assignments when those assignments require residency responsibilities such as Community Leader duties.

Students who resign from the Cadet Corps may be moved out of Cadet Corps housing if space is available. They are not guaranteed on-campus housing in the non-cadet residence halls unless space is available.

32.3 Contracts

Any student who enters campus housing for the Fall will be required to sign a two semester contract and remain in campus housing for the Spring. Students will only be permitted to break their contract by withdrawing from school, enrolling in nine hours or less, moving to off campus quarters with their spouse, or for an approved medical exemption.

32.4 Assignment Procedures
All returning students are required to complete a housing preference sheet or an off campus application by specified deadlines each semester. All new students must submit a housing application and required housing deposit online at www.tamug.edu/reslife. Tentative housing assignments for the fall semester will be made on July 15 or an earlier date designated by the Assistant Director for Residence Life. At that time, assignments will be made in accordance with the following priority:

32.4.1 First priority: Returning students participating in a license-option program and other students approved for participation in the maritime cadet program.

32.4.2 Second priority: Other returning students who previously resided in campus housing.

32.4.3 Third priority: Other new students in order of the dates on which their housing deposits were received.

32.4.4 The date that a student's housing deposit is received by the Fiscal Office establishes the student's rank within applicable priorities. This date will be used to determine seniority for housing decisions throughout the student's tenure at the university.

Residence Hall Rules

33.1 Responsibility. Students residing in or visiting a university residence hall are responsible for knowing and observing the visitation rules, including hours for visitation. The conduct of a guest is the responsibility of the host. The presence of a student in a residence room of the opposite sex is prohibited except during official open visitation periods as delineated in section 33.3 below or on special occasions approved by the Director of Student Life.

33.2 Vendors are not permitted in any residence hall rooms without prior approval by the office of Student Life.

33.3 Visitation Visitation hours (for guests not affiliated with the University as enrolled students or as faculty or staff employees) are from 9:00 a.m. to 12:00 a.m., Sunday through Thursday; and 9:00 a.m. through 2:30 a.m. Friday and Saturday. After visitation hours, only guests of the same sex as the room residents may be in the residents’ rooms. This applies to both university affiliated as well as non-affiliated guests. Any guest who is not affiliated with the campus as an enrolled student, faculty or staff member must have written permission to remain overnight on campus if in the residence halls after visitation hours. This privilege will be granted only when there is space available. Non-affiliated guests on campus after visitation hours must be in the company of a TAMUG student or employee except when going directly to or from transportation.

33.5 Visitation hours may be reduced if the resident of a floor within the residence hall desire a lesser number of hours and/or days or other stipulated conditions. Changes may be made by calling a referendum of all the residents on the floor. An affirmative vote of at least sixty-six percent of the total number of residents on the floor will be required to either approve or make changes in the Visitation Rule. Any changes or stipulated conditions of the hall rule must be in compliance with the Galveston Campus Visitation
33.6 A general residence floor referendum will not be required to approve visitation stipulations on the floor each new school year unless changes are requested from residents of that floor. Residents may sign a “change” petition to put the floor Visitation Rules up for review by the residents. A general floor referendum must then be called to approve any changes. A sixty-six percent majority is required for approval of changes to the floor Visitation Rules.

After approval by the Vice President for Student Services, changes in the floor Visitation Rules will be announced seven days prior to implementation.

33.4 **Appropriate Dress** Residents and guests must wear appropriate clothing at all times while in the hallways or public areas.

33.7 **Violations** of the Residence Hall Rules will be acted upon by the Community Leader and/or University personnel and may be referred to the Student Life Office for disciplinary action.

33.8 **Quiet Hours:** The Community Leaders are responsible for ensuring that conditions conducive to good study are maintained. Designated “quiet hours” will be maintained in all residence facilities during the period of 9:00 p.m. to 8:30 a.m., Sunday through Thursday; and 12:00 a.m. to 11:00 a.m., Friday and Saturday. Quiet hours may be expanded but not diminished by a majority vote of sixty-six percent of the residents of a floor. Expanded quiet hours will be observed prior to and during final examination each semester. While the maintenance of the quiet hours is the responsibility of each member of the hall, the Community Leader will be alert to infractions and assist where necessary to enforce the rules.

33.9 **Private Property.** The university does not assume responsibility at any time for the private property of students and is not liable for the loss or damage of any article of personal property anywhere on the premises.

33.10 **Room Furniture.** The residents, for their own protection, will be asked to inventory their furniture and rooms for existing damage with a designated university representative. This inventory will be completed at the time the student checks into the room. If additional damage to the room or furnishings occurs, repairs or replacement will be charged to the occupants.

33.21 The furniture provided in each student’s room is designed for the variety of ways students set up their rooms. Beds may be used as twin beds, bunk beds or set up as lofts using the additional bed ends, a support rail and the necessary hardware available in Residential Services. *For safety reasons, students are not permitted to design and build their own lofts.*

33.11 **Firearms and Weapons.** Firearms and other weapons, including BB-guns, wrist rockets, tennis ball cannons, and spear guns may not be kept, assembled, disassembled, or cleaned in campus facilities or in vehicles driven on campus. Exceptions to this rule are made for organized classes, law enforcement personnel and military personnel in the performance of official duty. Additionally, ceremonial weapons for Silver Taps and Aggie Muster are excepted. Special
permission for bringing a weapon on campus may be granted by the Chief of Campus Police or his or her designated representative.

33.12 **Room Modifications.** Substantive changes to or within rooms are not to be made without securing permission from the Office of Residence Life. Under no conditions should students remove any university-owned furnishings from their rooms and students shall not furnish their rooms with university-owned property taken from the public areas of the university.

33.13 **Room Assignments.** Room assignment changes originate with the Office of Residence Life which makes the room assignments. Students making room changes must secure clearance for their original rooms from the Office of Residence Life and arrange to check into their new rooms from that office.

33.14 **Cooking.** Cooking in the residence facilities is prohibited, with the exception of Albatross and Polaris Halls where kitchenettes are provided in the room. All kitchen appliances with the exception of coffeepots, hot pots, popcorn poppers, microwaves, and blenders are prohibited in the other residence halls.

33.15 **Refrigerators** are permitted in designated rooms only when such refrigerators meet the following university specifications:

- **33.15.1** The refrigerator is “Underwriters Laboratory” approved and has a running current requirement not to exceed 1.6 amps.
- **33.15.2** The electrical cord plugs directly into the power receptacle.
- **33.15.3** During extended holidays, between semesters, and in the case of a campus evacuation, the refrigerator is emptied, cleaned and unplugged.
- **33.15.4** The refrigerator is removed from the room prior to applying for room clearance.

33.16 **Roof Access.** No student is permitted on the roofs of the residence halls.

33.17 **Reckless Behavior.** Any behavior considered to be reckless or having the potential to cause physical harm or otherwise create a dangerous or unsafe environment for any student, staff or faculty, including one’s self, is strictly prohibited. This is to include, but is not limited to: climbing on or hanging from exterior walls of buildings; leaping from upper floors; sitting on balcony walls; rappelling; and dropping or throwing objects (including, but not limited to, trash and furniture) from buildings.

33.18 **Community Leaders.** Cadet officers or Community Leaders in each residence facility are responsible for the maintenance of order, the preservation of property and the cleanliness of the hall and/or area assigned to their organization.

33.19 **Room Entry/Search.** A student’s room may be entered by a staff member to provide cleaning and/or maintenance, to conduct an inventory of university property, to conduct a health and safety check; to assure compliance with applicable housing codes, when an emergency exists or is believed to exist, or when the staff member has a reasonable cause to believe that a violation of civil or criminal laws, University Student Rules, or housing rules has occurred or is occurring. Additional inspection of cadet corps rooms may be made by authorized cadets and cadre in accordance with Corps of Cadets Rules. In the event of sudden illness, death, or some other reason for which a student might be absent for a prolonged or indefinite period, university
officials are authorized to collect and store for safekeeping and proper disposal the affected student’s personal belongings and property which are on university premises.

33.20 **Fire Policies.** Open flames inside residence hall rooms, on balconies, or on passageways outside of residence halls are prohibited. This includes but is not limited to burning candles, incense, hibachis, and barbecue grills.

   33.23 Residents are not permitted to keep candles, charcoal, or lighter fluid in the residence hall rooms.
   33.24 Fire exit doors and doors separating exit stairways from corridors may not be propped open at any time.

33.22 **Building Hallways/Balconies.** For fire and safety reasons, Hullabaloo and Oceans hallways and balconies and Mariner walkways should remain clear of personal belongings, to include but not limited to, bicycles, clothing, furniture and hammocks.

33.25 **Alcohol paraphernalia:** Due to the proven detrimental effect of binge drinking on the educational success of college students, the university has a zero tolerance approach to alcohol on campus particularly within the residence halls. This zero tolerance approach extends to paraphernalia which may have been used to transport alcohol to include, but is not limited to, bottles, cans, cardboard boxes, regardless of what these containers may now hold. This ban does not extend to posters, cardboard cutouts, or other renditions of artistic merit that were never used to transport alcohol.

33.26 **Abandoned Property:** Texas A&M University and the Office of Residence Life or any of its staff are not responsible for any student property left in residence hall rooms or public areas of residence halls. In the event that student property is left in residence halls after the housing contract period is over, the property will be removed at the owner’s expense. The property will be turned over to the University Lost and Found or to a charitable organization in the community, or otherwise disposed of.

33.27 **Chalking:** The use of chalk on any surface other than an approved chalkboard is strictly prohibited. Students should refrain from using chalk on sidewalks or walls of buildings. Necessary clean up may be billed back to the residents of the hall.

33.28 **Christmas or Holiday Trees:** Cut/live Christmas/Holiday trees are not permitted in residence hall rooms. Hall Councils may purchase one live/cut tree for common area display, provided it is treated with a flame-retardant substance. Contact your Hall Staff for more information.

33.29 **Cooperation with University Officials:** Your residence hall staff members are University officials. Residents must immediately comply with any lawful directions from any University official. Verbal and/or physical abuse directed toward any University staff member will not be tolerated and violations may result in disciplinary action being taken.

33.30 **Decorations:** No decorations may hinder the use of or restrict access to hallways, doorways, stairs, corridors, or fire related equipment. Do not attach anything to or tamper with light fixtures or exit signs. Flammable material (posters, cloth) should not be attached to room ceilings. Decorative lighting should never be attached using tacks and nails. These restrictions
apply to student rooms, as well as public areas. Contact the residence hall staff for further details. Decorations violating this regulation may be removed by the hall staff and/or billed to the student for removal.

33.31 **Electrical Power Strips and Extension Cords:** When additional electrical outlets are needed, residents must use U.L. approved electrical power strips with built-in circuit breakers. Multiple plug adapters and extension cords are not permitted. Power strips should never be plugged into another power strip. Power strips should never be placed above the ceiling tiles, underneath carpet or stapled or pinched in any way. Running power strips underneath mattresses is prohibited. All refrigerators should be plugged directly into the wall and NOT into a surge protector or adapter.

33.32 **Emergency/Safety Equipment:** Tampering, damaging, or inhibiting the use of emergency/safety equipment, including exterior residence hall doors, in any residence hall is prohibited. Residents may not use emergency equipment for any purpose other than emergency use. Residents involved in such activities will be subject to disciplinary action and may be removed from University housing. This regulation includes, but is not limited to, fire extinguishers, heat and smoke detectors, exit signs, fire alarm pull stations, or locked exterior doors.

33.33 **Group Billings/Assignment of Communal Damage Charges:** Financial charges relating to the cleaning of, damage to, or theft of University property are billed to the specific individual(s) responsible whenever such individuals can be identified. However, when damage or theft cannot be assigned to a specific individual(s), the charges may be divided equally among the residents of the affected floor, building, or area. Monthly damage listings are posted in each hall when there are damage billings to report. If you have information concerning any of the damages or stolen property listed, please contact your hall staff. At the end of each semester, residents will be billed on their student account their share of any unaccounted damages.

33.34 **Offensive Odors:** An offensive odor is ANY odor or aroma of such intensity that it becomes apparent and is offensive to others. Any odor can become offensive when it is too strong. Some examples are: perfume, air freshening spray, or large amounts of dirty laundry. Offensive odors will be addressed by residence hall staff when complaints are received. Residents identified as being responsible for the offensive odor will be asked to eliminate the cause of the odor. (Note–incense is not permitted in the residence halls.)

33.35 **Offensive Printed Materials:** If printed material and/or posters of an offensive nature are displayed in the hallways, stairwells, study lounges, or student’s bathroom, and create a threatening or otherwise degrading environment for custodial staff working in the building, the student(s) will be asked to remove the objectionable item from display. Residents choosing not to remove the item will not be charged with a rule violation. Residents are encouraged to be aware that while it is one’s right, the information posted may offend other Aggies.

33.36 **Practical Jokes/Pranks:** Practical jokes and pranks may damage property or injure other students.
