Today’s college students are faced with a myriad of challenges and daily decisions that impact their lives. Sometimes these challenges and decisions are in conflict with the standards set forth by the University for acceptable behavior within the community. It is through the student conduct process that we are given the opportunity to review particular fact patterns that may have led to behavioral choices, challenges, support structures, and ultimately hold individuals accountable for their actions and educate students so they may better decisions in the future. You have been selected to train and serve in this role because of your critical thinking skills, your sound judgment, and your ability to compassionately balance the intent of the individual against the needs of the overall community. As a conduct conference panel member, you will be tasked with the challenge of weighing information presented by the university and the student to determine if community standards were violated. In addition, if the student is found responsible, you will be asked to appropriately sanction students for their actions,

Responsible VP or Dept. Head Dr. Patrick Louchouarn

Committee Composition

Committee Charge

The Faculty Advisory Committee (FAC) serves as a deliberative and advisory body to help formulate policies and programs for the improvement and development of TAMUG. The committee advises the President and CAO on matters of significant interest and importance to the faculty of the University. It makes recommendations to the President and CAO on matters pertinent to the attainment of educational excellence and to the fulfillment of the educational role of the University. Membership is elected by the faculty and consists of one member from each department depending on department size (see bylaws for specific guidelines), and one at-large-representative. Term of office is three years (rotating).

25 2012-2013 Honor Council

Responsible VP or Dept. Head Mr. Todd Sutherland

Committee Composition

Committee Charge

It is the Mission of the Galveston Aggie Honor System Office to serve as a centralized system established to respond fairly to academic violations of the Aggie Code of Honor. Members of the honor council may serve as case investigators, panel members and appeal panel members involving students alleged to have violated the honor system rules. Case investigators, upon investigating an alleged infraction, advise the Assistant Vice President of Student Affairs and Auxiliary Services (or his/her designee) on whether enough evidence exists to support a charge against the involved student of violating honor system rules and, subsequently, an honor council hearing. Panel members are convened in an administrative hearing to hear testimony, decide whether the involved are not responsible or responsible for the alleged infraction and, if found responsible, to determine appropriate sanctions. Appeal panel members are convened to hear an appeal from a student found responsible for violating the honor system rules, if an appeal is filed.

 32 2012-2013 Student Disability Review Committee

Responsible VP or Dept. Head Mr. Todd Sutherland

Committee Composition

Committee Charge

The Disability Review Committee (DRC) is charged with the oversight of services related to the reviewing of requests by students with disabilities to receive disability accommodations. The committee will review appropriate documentation submitted by students and make determinations regarding whether the requests made are for “reasonable accommodations” that should be afforded to the individual based upon the documentation. The committee may facilitate the routine processing of a request to the office of the Director of Counseling and/or designee and reserve the committee meetings to those decisions that are being appealed or for non-routine requests. The committee will be empowered to convene and make determinations regarding requests with any three members of the committee being present. DRC Committee members should be familiar with federal and state laws and university guidelines regarding disability issues and should make decisions consistent with best practices.
