

# Honor Council - 25

## 2021/2022

**Responsible VP or Department Head:** Todd Sutherland

**Committee Charge:**

It is the Mission of the Galveston Aggie Honor System Office to serve as a centralized system established to respond fairly to academic violations of the Aggie Code of Honor. Members of the honor council may serve as case investigators, panel members and appeal panel members involving students alleged to have violated the honor system rules. Case investigators, upon investigating an alleged infraction, advise the Assistant Vice President of Student Affairs and Auxiliary Services (or his/her designee) on whether enough evidence exists to support a charge against the involved student of violating honor system rules and, subsequently, an honor council hearing. Panel members are convened in an administrative hearing to hear testimony, decide whether the involved are not responsible or responsible for the alleged infraction and, if found responsible, to determine appropriate sanctions. Appeal panel members are convened to hear an appeal from a student found responsible for violating the honor system rules if an appeal is filed.

**Membership Selection Process:** By appointment
