

BLUE ECONOMY LEADERSHIP INSTITUTE

TEXAS A&M UNIVERSITY AT GALVESTON

February 16th & 17th, 2024

Rise To The Challenge

The Blue Economy Leadership Institute will engage 40 of our brightest and most ambitious students to tackle the challenge of solving a dynamic scenario where the maritime industry and modern environmental priorities intersect.

The student team with the most creative and economically feasible solution will win a \$2,500 prize.

Juniors, seniors and graduate students are eligible to register.

What to Expect

Students will be placed in interdisciplinary teams of five.

Each member of the winning team will receive a \$500 prize.

Students will have the chance to hear from and network with industry executives on topics of leadership and career development.
