The **Corps Operations Manual** is the foundation of who Corps members are and what they are endeavoring to become. It is about the Corps’ mission, vision, priorities, and values. The Corps Operations Manual is at the very heart of the Corps’ regimented lifestyle. Its carefully crafted policies, guidelines, standards, and rules are designed to support each Cadet’s academic success, physical and mental well-being, and development as a leader. It includes information relevant to every Cadet, regardless of rank or class, regarding administration, operations, conduct, discipline, honor, scholastics, and Cadet-life. The Corps Operations Manual may be amended throughout the academic year via Superintendent’s Statements on Policy, Commandant’s Orders, or memorandum published by the Corps Commander in consultation with the Commandant.

The **Charlie Noble** is a pocket-size summary of information intended for Fish, but strongly encouraged for use by all Cadets.

The above documents are to be used in the instruction and operation of the Corps of Cadets. These documents are in addition to the Texas A&M University at Galveston Student Rules found at [https://www.tamug.edu/studentrules](https://www.tamug.edu/studentrules).

CHAPTER 1 – WHO WE ARE AND WHAT WE HOLD TO BE IMPORTANT

ARTICLE 101 – MISSION AND PURPOSE STATEMENT

1) Texas A&M University at Galveston (TAMUG) is a special-purpose institution of higher education for undergraduate and graduate instruction in marine and maritime studies in science, engineering and business, and maritime officer education in leadership and ship operations and for research and public service related to the general field of marine resources. The institution is under the management and control of the Board of Regents of The Texas A&M University System, with degrees offered under the name and authority of Texas A&M University (TAMU).

2) The Texas A&M Maritime Academy (TAMMA) is one of only six state maritime academies in the United States. TAMMA is the only academy located in the Gulf of Mexico. The mission of the TAMMA is to provide the maritime industries of the State of Texas and the United States with highly educated, professional, and regimented maritime officers capable of serving aboard commercial or military vessels. To meet this mission, the TAMMA includes a Corps of Cadets.

3) The purpose and goal of the Texas A&M Maritime Academy Corps of Cadets is: *To develop maritime leaders of character dedicated to serving the greater good.*

ARTICLE 102 – PRIORITIES

1) Cultivate academic success.

2) Provide positive, challenging, values-based leadership development experience.

3) Maintain a highly specialized maritime training and education program.

4) Provide the maritime industries of the State of Texas and the United States with highly professional U.S. Coast Guard licensed Merchant and U.S. military officers to serve our maritime interests.

ARTICLE 103 – CORE VALUES OF THE CORPS OF CADETS

1) The core values of Texas A&M University are the core values of the Corps of Cadets. They reflect what we hold to be important and guide our daily lives, especially our relationships with others. Our core values shape the environment in which we live, study, and develop our leadership.

   a) **Excellence** (Set the bar)

      i) “Excellence stems from a great sense of pride in who we are and what we believe in.” ~ Dr. Robert Gates (Former Texas A&M President and Former Secretary of Defense)

   b) **Integrity** (Character is destiny)

      i) “The Aggie Code of Honor which Aggies recite by heart: 'Aggies do not lie, cheat or steal nor tolerate those that do' shows what goes to the heart of being an Aggie.” ~ Texas A&M Leadership

   c) **Leadership** (Follow me)

      i) “The spirit of leadership is instilled in every student -- whether they go on to lead in the boardroom or in the backyard -- they have the values, the confidence and the experience to lead change in their world.” ~ Texas A&M Leadership
d) **Loyalty** (Acceptance forever)

   i) “Per Unitatum Vis. Through unity, strength.” ~ Texas A&M University Corps of Cadets Motto

   ii) “Loyalty and respect for tradition is about a sense of belonging to something greater than yourself. You're a part of a history of traditions...of a larger community.” ~ Former Executive Vice President and Provost, Dr. David Prior

e) **Respect** (We are the Aggies, the Aggies are we)

   i) “A&M students aren't just joining a university, they're joining a lifelong family that understands the value of loyalty, camaraderie, and unconditional support.” ~ Texas A&M Leadership

f) **Selfless Service** (How can I be of service?)

   i) “A&M encourages volunteerism, encourages being one of a thousand points of light, helping others ... and it comes naturally to Aggies.” ~ Former U.S. President George H.W. Bush

   ii) “Let future generations understand the burden and the blessings of freedom. Let them say we stood where duty required us to stand.” ~ Former U.S. President George H.W. Bush

ARTICLE 104 – **AGGIE CODE OF HONOR**

1) **An Aggie does not lie, cheat or steal or tolerate those who do.**

2) Articles of the Aggie Code of Honor include:

   a) **Article I**

      i) A Cadet will not knowingly make any false statement, written or spoken.

   b) **Article II**

      i) A Cadet will not impart or receive any assistance, either outside or inside a classroom or places of instruction, which would tend to give any student an unfair advantage.

   c) **Article III**

   d) **Article IV**

   e) **Article V**

      i) A Cadet will report to their Commander all known or suspected honor violations by any Cadet or Cadets.

3) While the camaraderie among Aggies is legendary and frequently life-long, friendship is never justification to violate the tenets of the Aggie Code of Honor. Similarly, the Aggie Code of Honor is never to be understood as a code only adhered to among Aggies. Rather, it is a code that all Aggies strive to live by in all associations and activities of their lives, not just when among other Aggies.
ARTICLE 105 – CADET OATH

1) “I do solemnly swear that I will obey all University regulations, the Corps Operations Manual, and the directives of my superior officers; that I will be diligent in my studies; that I will hold myself and my fellow Cadets to the Aggie Code of Honor; that I will remember that to be a member of the Corps of Cadets is a privilege which must be earned every day by my honorable actions; and that I will conduct myself in a manner that will reflect credit on the University and the Corps of Cadets.”

2) The Cadet Oath affirms and solidifies each Cadet’s commitment to the core values of the Texas A&M Maritime Academy Corps of Cadets and Texas A&M University at Galveston. It is a promise to oneself, in the presence of family, friends, the University community, and the entire Aggie family, to always strive to be the epitome of soldier, states person, and model citizen. The Cadet Oath challenges us to always dedicate ourselves as leaders of character in service of the greater good and to be a part of something bigger than ourselves – the Aggie Spirit.

13) Monitor your academic progress closely and refer to your syllabus for course expectations and assessments.

a) Violation of Federal or State Law. In addition to the Corps Operations Manual and Texas A&M University at Galveston Student Rules, Cadets may be disciplined for violation of federal or state law including but not limited to 46 CFR, laws of the State of Texas, and/or municipal ordinances.

b) Conduct Unbecoming a Cadet. A Cadet is responsible for “conduct unbecoming” when their actions or conduct could be interpreted to be detrimental to the best interests of the individual Cadet, other persons, the Cadet’s unit, the Corps, or Texas A&M University at Galveston.

c) Disrespect or Insubordination. Any Cadet who is disrespectful or insubordinate in demeanor, word or action toward any University official or Cadet in the Chain of Command, whether or not this occurs in their presence.
d) **Failure to Follow Orders.** Failure to follow the verbal or written orders/directions of the Commandant, Assistant Commandant, NROTC staff, and Corps Housing Coordinators, or any University official or Cadet in the Chain of Command.

e) **Negligence of Leadership.** Anyone in the Cadet Chain of Command is responsible for ensuring Cadets under their authority follow and obey the policies, procedures, and rules of the Corps. A Cadet in the Chain of Command must be wise with their use of authority. Their actions and directives must be reasonable and prudent.

i) Negligence of leadership is also applicable at the peer level including but not limited to a Cadet that contributes to negligent actions of their peers or fails to report negligent actions of their peers.

f) **Permission to Touch.** It is improper for a Cadet to touch another Cadet without their permission unless there is a legitimate safety reason (e.g., a Cadet about to fall; Cadet in danger of being hit by a vehicle, etc.). When an upper-class Cadet is addressing an under-class Cadet, a safe rule of thumb is for the upper-class Cadet to maintain at least one arm’s length away from the under-class Cadet.

i) It is proper to touch, with permission, another Cadet when making minor corrections such as adjusting a hand salute.

ii) It is never proper for a Cadet to touch or grab a fellow Cadet for the purpose of harassment or disciplinary action.

g) **Abuse of Class Relationships.** An upper-class Cadet will not require a lower-class Cadet to perform “personal servitude” tasks (e.g., moving the upper-class Cadet’s car to avoid a parking violation, picking up cleaning, etc.). Performing personal service or unauthorized details directed by an upper-class Cadet with or without remuneration is also a violation.

i) An upper-class Cadet will not require a lower-class Cadet to “earn privileges” or perform unauthorized physical training to receive a “special position or duty.”

ii) Do not borrow items (e.g., money, services, vehicles, etc.) across class lines. This practice disrupts good order and discipline and may pose a question of coercion.

h) **Improper Cadet Relationships.** Improper relationships are those that could result in actual or perceived favoritism, unfairness, or partiality that are detrimental to good order and discipline within the unit or the Chain of Command.

i) Dating among Cadets is permissible; however, dating will be conducted with the same standards of discretion and good judgement expected of all Cadets. Should a personal relationship evolve within a Company or Chain of Command, Cadets will seek resolution with an Assistant Commandant.

(1) An upper-class Cadet will not date a 4th Class Cadet (freshman).

(2) A Cadet will not date a Cadet in their Chain of Command.

(3) Cadets are prohibited from dating another Cadet, who is in the same unit.
i) **Public Displays of Affection.** Cadets in uniform will refrain from public displays of affection (PDA). A Cadet may offer to or take the arm of another person while walking. Walking arm-in-arm does not preclude the requirement to render proper military courtesies (i.e., salute). Holding hands or walking or sitting with arm around waist or shoulder is not permitted.

   i) The Aggie tradition of kissing after the football team scores is permitted and not considered a violation of this policy.

j) **Use of Profanity.** A Cadet will not use profanity when performing Corps functions, in the “Corps environment”, or while wearing a uniform.

k) **Interference with Free Time.** As a general guide for conduct, all Cadets are entitled to use free time to study, sleep or attend to personal matters, except when otherwise directed. A Cadet will not curtail or interfere with the use of available free time of another Cadet. Refer to 1004.g.

   i) Physical training inside the common areas of the residence hall is not allowed.

l) All Cadets will respect the rights of others to privacy and maintain good neighborly relations with those who are housed in the Texas A&M Maritime Academy Hall.

   i) No Cadet will disturb study conditions in the residence hall and all Cadets should be especially careful to comply with all Quiet Hours restrictions.

   ii) Cadets will not do anything that might cause personal injury or destruction of private property or campus facilities.

   iii) Cadets will be dressed appropriately at all times.

   iv) Cadets will not remove, disable, or render inoperative any fire protection equipment or other alarm system in the Texas A&M Maritime Academy Hall or other campus facility.

m) Cadets will not engage in inappropriate sexual behavior.

n) Cadets will adhere to the University’s policy on pet animals. Refer to [https://www.tamug.edu/studentrules/Student_Life_Rules/36_Pet_Animals.html](https://www.tamug.edu/studentrules/Student_Life_Rules/36_Pet_Animals.html).

o) **Hazing.** Reference 24.4.5 of Texas A&M University at Galveston Student Rule 24 – Student Conduct Code ([https://www.tamug.edu/studentrules/Student_Life_Rules/24_Student_Conduct_Code.html](https://www.tamug.edu/studentrules/Student_Life_Rules/24_Student_Conduct_Code.html)).

**ARTICLE 803 – REPORTING CADET CONDUCT**

1) Regardless of rank or position, every Cadet has a duty and responsibility to report any and all major infractions (i.e., alcohol, drugs, assault, acts of violence, hazing, activities/events that endanger persons or threaten property, etc.) using the “Report a Violation of the Student Rules” form located at [https://www.tamug.edu/studentrules/](https://www.tamug.edu/studentrules/). The Cadet may also report such violations to the Community Leaders, Corps Housing Coordinators, the Assistant Commandants, and the Commandant.

**ARTICLE 804 – CADET DISCIPLINE POLICY**

1) Texas A&M University at Galveston Student Rules ([https://www.tamug.edu/studentrules/](https://www.tamug.edu/studentrules/)) is the governing authority on the administration of the Cadet conduct/discipline process.

2) The Superintendent (or designated representative) has the final review/administrative authority in all Cadet Conduct and administrative cases.
ARTICLE 805 – DISCIPLINE PROCESS

1) Initial Action. Upon receipt of a report of an alleged violation, which can come from a variety of sources including the Internet, the Commandant will review the information to determine if the case is to be adjudicated within the Corps of Cadets or if it should be co-adjudicated with the University.

2) Rights.
   a) Cadets should reference the following, which can all be found at https://www.tamug.edu/studentrules/studentliferules.html:
      i) Students’ Rights and Responsibilities
      ii) 24 – Student Conduct Code
      iii) 25 – Student Conduct Code Procedures (System)
      iv) 26 – Student Conduct Proceedings
      v) 27 – Sanctions
   b) Appeal information (58 – University Disciplinary Appeals Panel) can be found at https://www.tamug.edu/studentrules/Student_Grievance_Procedures/58_University_Disciplinary_Appeals_Panel.html.

3) Charges. The issuance of a charge letter is the first step in the administrative hearing process. This letter states the alleged rules violation and/or incident of concern and requires the Cadet(s) to schedule a hearing with the appropriate office. The charge letter does not indicate a presumption of responsibility of a rule violation, but rather a complaint has been made against the Cadet and there is a need to hear both sides of the situation. Once a charge letter has been sent, the student may have access to view a part of the conduct file and information that brought charges against them.
   a) The charge letter will also include information as to the date, time, and location of the hearing.

4) Hearing: Cases that may result in a sanction involving expulsion, and suspension from the University will follow University Student Rule procedures. This procedure will also be followed in cases co-adjudicated with the University with the exception that the University administrative hearing may be heard concurrently with a Corps of Cadets/Texas A&M Maritime Academy administrative hearing.
   a) Category I violations that will not involve removal from the University will normally be heard by the Commandant (or designee).
   b) Category II violations will normally be heard by Cadet Mast (or Corps Review Board if the violation has been repeated several times).

5) Sanctions. Sanctions involving expulsion, dismissal, suspension, and deferred suspension from the University will be assessed by the Commandant and the Assistant Vice President for Student Affairs (or designee) through a joint hearing process. Sanctions of Category I Violations not involving removal from the University will normally be assessed by the Commandant (or designee).
   a) Sanctions for Category I offenses may include:
      i) Corps Expulsion. Separation action without option for readmission.
Corps Suspension. Separation for a defined period; readmission is not guaranteed but will be considered upon request.

1) The sanction of Corps Suspension may be placed in deferred status. In this case, a violation of Corps Operations Manual during this period will cause the suspension to take effect immediately without further review. Additional action may also be taken regarding the most recent offense. Deferred suspension also carries the restriction a student is “Not in Good Standing” with the Corps of Cadets.

Corps Conduct Probation. An official warning a Cadet’s conduct has been in violation of the Corps Operations Manual, but is not serious enough to warrant expulsion, dismissal, or suspension.

1) Conduct Probation means a Cadet is “Not in Good Standing” with the Corps. Violation of any part of the probation may result in one of the sanctions above from the Corps of Cadets.

   a) This sanction includes the same restrictions as Deferred Suspension and therefore:

      i) May not hold a leadership position (defined in Article 303 and Article 304 as Key Senior Cadet Leadership, Key Cadet Leaders, and Cadet Leadership respectively). In addition, the Cadet may not hold a leadership position in a Corps special unit (i.e., Drill Team, Color Guard, Hearn Honor Guard). Finally, the Cadet will not be permitted to participate in any Corps activity/function/event in which the Corps’ presence is a representation of the University including Corps March-Ins, special unit competitions, etc.).

      ii) While under Corps Conduct Probation, a Cadet is considered “not in good standing” with the Corps and may not successfully obtain (due to no-priority placement on official Cruise Selection Lists) training-at-sea (i.e., TS General Rudder training-at-sea, Commercial training-at-sea, and/or Training-at-Sea with any of the other State Maritime Academies. Cadets on Corps Conduct Probation are required to attend all Corps-sponsored volunteering events, duty weekends, and Corps Trips. Weekly conferences with an Assistant Commandant will also be scheduled.

      iii) May not hold office or positions in the Corps, Campus Living & Learning, or recognized student organizations or represent the University in any manner (that includes but is not limited to NCAA sports).

      iv) May not participate in intramurals.

Conduct Review. An official warning the Cadet’s conduct is in violation of the Corps Operations Manual, but is not sufficiently serious to warrant conduct probation. A cadet on conduct review shall remain “In Good Standing” with the Corps. This sanction may require regular meetings with an appropriate official within the Corps of Cadets, Texas A&M Maritime Academy, and/or the University.

v) Relief from Command or position.

vi) Reduction of Cadet rank.

vii) Restitution (i.e., payment of damages).
viii) Restricted Weekends/Extra Duty.

ix) Letter of Reprimand.

x) Demerits.

xi) Ineligibility for training-at-sea or other similar and appropriate sanctions as approved by the Superintendent (or designee).

6) Corps Appeals of Sanctions for Category I Violations. Cadets receiving sanctions for Category I violations as a result of a Corps hearing have the opportunity to appeal as outlined in their Sanction Letter. The appeal process will be done through the Chain of Command using the following guidelines:

a) Instructions for appeal including the appeal form will be included in the Corps Sanction Letter.

   i) The appeal must be filed within five (5) University business days of the decision regarding disciplinary action taken. The Cadet must include a written application supporting the basis of appeal. An appeal form submitted without any explanation will not be processed.

   ii) The completed appeal form and accompanying explanation will be forwarded to the Commandant for review. The Commandant may act on the appeal immediately or refer the appeal to an appeals panel. The appeals panel will subsequently provide the Commandant a recommendation to present to the Superintendent (or designee).

   iii) The Superintendent (or designee) is the final authority on the appeal.

b) In a case involving sexual misconduct, the appeal of any sanctions will be conducted at the University Appeal level as outlined in the sanction letter.

7) Instructions to Cadet Receiving Suspension from the Corps of Cadets. Any cadet who receives a sanction of suspension or higher, must follow the written instructions presented to them in their sanction letter. The instructions for administrative separation are the same as suspension from the Corps of Cadets. They include:

   a) A definite time in which they must leave the Corps.

   b) The Office of the Commandant will provide the Cadet with the necessary documentation for separation. This Cadet will need to acquire signatures from the different offices on the form. An incomplete form will indicate the Cadet did not properly separate from the Corps.

   c) Re-admission into the Corps is dependent upon completion of the sanction and approval by the Superintendent.

      i) Before receiving approval from the Superintendent, the prospective returning Cadet may be asked to come before select members of the Academy to discuss relevant expectations.

      ii) Re-admission into the Corps and the Academy is not guaranteed.
ARTICLE 806 – DEMERIT SYSTEM

1) Per 46 CFR 310.10 (Discipline and Dismissal):

(a) Each school shall establish and publish rules and regulations governing Cadet and Midshipman discipline and providing for a demerit system for infractions of these rules and regulations. Serious or excessive violations of the rules and regulations by a Cadet or Midshipman may be considered as evidence of inaptitude for the demanding career of a merchant marine officer and warrant dismissal by the school.

(b) Each Cadet or Midshipman shall, upon admission to the school, be furnished a copy of the School’s rules and regulations.

(c) Any Cadet or Midshipman placed on probation for failure to meet the conduct requirements of the school may, at the discretion of the Superintendent, be listed as not in good standing for any period not to exceed six (6) months for the purpose of §310.7(a)(5).

2) Demerits serve both as a Cadet disciplinary tool and a performance indicator.

a) The Corps Commander, in consultation with the Commandant, will determine who is authorized to issue demerits in the Cadet Chain.

b) The Assistant Commandants, NROTC Officer-in-Charge, NROTC Assistant Officer-in-Charge, and Corps Housing Coordinators are authorized to issue demerits.

c) Faculty and staff members of Texas A&M University at Galveston are not authorized to issue demerits directly, but may recommend issuance of demerits (or merits) to a Cadet by contacting the Commandant.

d) Cadets have the right to appeal demerits assigned. The appeal must be submitted through CorpsApps within seven (7) days of assignment.

3) The established demerit system for the Corps of Cadets at the Texas A&M Maritime Academy is as follows:

a) Cadets who reach the below demerit levels in a single fall or spring semester face the following actions:

<table>

### ARTICLE 808 – REMOVAL OF DEMERITS

#### 1) General Information

- a) All merits and demerits shall be entered within 48 hours of the event/occurrence.

- b) Cadets are expected to reconcile their demerits that week, unless they have a validated excuse, by the Assistant Commandant assigned to their battalion. Then they must do it the following week.

#### b) A Cadet must reconcile all demerits no later than the end of the semester in which the demerits were earned.

- i) A graduating Cadet who has not reconciled all demerits fifteen (15) University business days before commencement, a graduation hold will be placed on the student’s account and the Cadet will be charged with violating 24.4.6 (Failure to Comply) of the Student Conduct Code and may also be charged with violating 24.4.23 (Abuse of Student Conduct Process) of the Student Conduct Code.

- ii) For those Cadets not graduating, demerits not reconciled by the start of the registration period, will have a registration hold placed on the student’s account, and any demerits not reconciled by the end of the current semester in which they were earned will roll over to the following semester.

#### 2) Reconciliation of Demerits

- a) Each Cadet is responsible for viewing and tracking their merits/demerits regularly to ensure their merits and demerits were entered correctly.

- b) Appeals of demerits must be submitted through CorpsApps within seven (7) days of issuance to be considered. Missing merit entries must be addressed thru the cadet’s chain of command within 30 calendar days, or the cadet forfeits those merits.
c) Each merit earned can be used to reconcile each demerit received in equal proportions. For example, one (1) merit can be used to reconcile one (1) demerit. In most cases, this reconciliation is automatic.

d) Cadets who do not have any merits can reconcile demerits based on service hours. One service hour (60 minutes) clears ONE demerit. Service hours are reported in one-hour increments only.

e) Commandant Approved Community Service. Pre-determined and/or pre-scheduled community service hours approved by the Commandant in partnership with the University as well as 501(c)3 agencies and/or 501(c)3 organizations outside the campus community.

   i) The Commandant, or their designee, is the only person that can authorize Commandant Approved Community Service.

f) Corps Service Hours. These are community service hours committed directly to the Corps of Cadets as approved by the Commandant. These hours may include picking up trash in the TAMMA Parking Lot and access roads, supervised trash pick-up of Rattle Snake Road, and various other projects in the immediate vicinity of TAMMA Hall or the TAMUG Campus.
ARTICLE 901 – MERITORIOUS CONDUCT

1) Merits are awarded for acts of courage, exceptional behavior, and significant contributions to the University, the Texas A&M Maritime Academy, the Corps of Cadets, and quality of life of the members of the campus community. Merits are not generally awarded for actions performed as part of an assigned work project, required functions, or activities counted as campus stewardship. Any member of the Corps of Cadets, Staff, or Faculty may recommend a Cadet to receive merits.

2) Merit Levels

(c) The individual is operating any vessel and the effect of the intoxicant(s) consumed by the individual on the person's manner, disposition, speech, muscular movement, general appearance, or behavior is apparent by observation.

ARTICLE 1102 – ALCOHOL USE

1) Alcohol is prohibited on the campus property of Texas A&M University at Galveston. Regardless of location (i.e., on-campus, off-campus, on training-at-sea), all Cadets are required to comply with the University’s rule regarding alcohol as referenced in 24.4.13 of Texas A&M University at Galveston Student Rule 24 – Student Conduct Code (https://www.tamug.edu/studentrules/Student_Life_Rules/24_Student_Conduct_Code.html).

a) Cadets violating 24.4.13 – Alcohol will be charged with violating Corps and University Student Rules and with Conduct Unbecoming of a Cadet. Intoxicated Cadets will be sanctioned under the rules of the training ship as well as the Corps Operations Manual and University rules.

b) Cadets will not consume alcohol while in uniform on and/or off-campus unless specifically approved by the Commandant or designated representative. Cadets performing a duty representing the University or the Corps of Cadets will not consume alcohol during the period starting twelve (12) hours prior to the duty and ending after the completion of the duty.

i) For off-campus events, the duty begins at the planned/actual departure from the campus for the event and the completion of duty is upon return to the campus. Exceptions to this policy can only be granted by the Commandant.

c) Cadets who are 21 years old or older and publicly intoxicated, on and/or off-campus, will be charged with violating University Student Rules. This rule also applies to Cadets, who allow, provide, or do not attempt to stop a Cadet under the age of 21 from drinking, on and/or off campus. Sanctions for most alcohol-related infractions include University/Corps Conduct Probation and alcohol abuse education. Cadets who provide alcohol to minors may be suspended from the Corps for at least one semester.

d) Cadets who are under the age of 21, and in possession of, or drinking alcohol, or publicly intoxicated, on and/or off-campus, will be charged with violating University Student Rules. Sanctions for most under 21 alcohol-related infractions include University/Corps Conduct Probation, alcohol education, and a letter to the Cadet’s parents/guardian.
During training-at-sea, Cadets in possession of alcohol, consuming alcohol, or are intoxicated are subject to the rules of the training ship, the rules established in the Sea Term Manual, and the Texas A&M University at Galveston Student Rules.

i) Cadets found responsible and sanctioned for violating the alcohol policy while on training-at-sea, shall be adjudicated further by the Corps of Cadets and the Texas A&M Maritime Academy upon returning from cruise, if not sooner.

f) In addition, while on any training sea term, all Cadets are subject to U. S. Coast Guard Drug and Alcohol Testing, in accordance with 46 CFR Parts 4 and 16.

i) Suspension from the Corps of Cadets and the Texas A&M Maritime Academy for at least one year is possible if the Cadet’s alcohol concentration in their blood exceeds what is stated in 33 CFR 95.020(c).

2) If you know of a Cadet who appears to have a serious drinking problem (e.g., constantly drinking, getting drunk several nights a week, etc.) express your concerns to an Assistant Commandant. If the Cadet of concern is having drinking problems, they also may be having other problems (e.g., social, academic, mental, physical, etc.). Referral of the Cadet to Counseling & Career Services (https://www.tamug.edu/counsel/) may also help.

ARTICLE 1103 – ILLEGAL DRUG USE & ABUSE OF LEGAL SUBSTANCES

1) The use of illegal/inappropriate drugs in the Corps of Cadets is a violation of U. S, Coast Guard regulations and Texas A&M University rules and runs counter to the values we hold, and our vision for character and leadership development. Illegal drug use in the Corps of Cadets at any time will result in a mandatory one year suspension from the Corps of Cadets and completion of a U.S. Coast Guard substance abuse treatment program. Being under the influence and/or misuse of a controlled substance, or abuse of prescription drugs will also not be tolerated. This also includes substances similar to that of a controlled substance (e.g., CBD products, “synthetic drugs”, etc.). Cadets should reference 24.4.12 of Texas A&M University at Galveston Student Rule 24 – Student Conduct Code (https://www.tamug.edu/studentrules/Student_Life_Rules/24_S Student_Conduct_Code.html).

a) Inappropriate drugs are defined as non-prescription substances that produce effects that impair the judgment of the cadet and interfere with “good order and discipline” (e.g., salvia, “herbal tobacco”, etc.). Use of prescription drugs without a valid prescription is illegal. Cadets found misusing prescription medications will be treated though they were using illegal drugs.

b) Cadets should submit any information regarding illegal drugs in the residence hall to the appropriate authority (i.e., Deputy Superintendent, Director of Student Life or their community leaders, etc.), who will notify Campus Police and take appropriate student conduct action.

i) In the event of an overdose or other drug related problems needing medical attention, call the emergency number 911.

c) As a deterrent against the illegal use of drugs, all Cadets are subject to selection for a random drug test. At random times during the school year, Cadets will be notified via school email or in person at ZOPT 100/300 that they have been selected for a drug test and must comply. A Cadet may be removed from a training cruise and/or the Corps for non-compliance.

Cadets who violate 24.4.12 – Drugs will be co-adjudicated by the Corps of Cadets and the University. Cadets found responsible for violating 24.4.12 – Drugs are normally suspended from for one year. If the Cadet is allowed to remain in the University (due to extraordinary circumstances, or is readmitted, they may be required to submit to drug testing (at their own expense) and test negative on all required drug tests as outlined in the sanction letter from the
Corps. Additional provisions on drug related sanctions may be required by the Commandant. The Corps sanction letter and any provisions required from the Commandant is in addition to the sanctions outlined in the University sanction letter.

d) On a training cruise, Cadets in possession of drugs, consuming drugs, or are under the influence of drugs will be subjected to the rules of the training ship and the Texas A&M University at Galveston Student Rules.

e) Cadets found responsible and sanctioned for violating the drug policy while on training cruise, shall be adjudicated further by the Corps of Cadets and the Texas A&M Maritime Academy upon returning from cruise, if not sooner. The usual sanction for any Cadet testing positive in a drug test is suspension from the Corps of Cadets and the Texas A&M Maritime Academy for at least one year.

2) All cadets are required to comply with the University’s rule regarding drugs as indicated in Texas A&M University at Galveston Student Rule 24 – Student Conduct Code (https://www.tamug.edu/studentrules/Student_Life_Rules/24_Student_Conduct_Code.html) as well as the Random Drug Testing Policy and Drug Testing Policy for Documented Employees and Students below.

a) Random Drug Testing Policy:

   i) All cadets are required to comply with Texas A&M Maritime Academy’s drug testing policy for documented employees and students as referenced in Article 1403 below.

   ii) The use of illegal drugs in the Corps of Cadets runs counter to the values we hold, and our vision for character and leadership development. This policy outlines Cadet Expectations for compliance, execution of random drug testing, and actions taken upon the results of a positive test or when Cadets are found to be using or possessing illegal drugs.

   iii) Illegal drug use will not be tolerated. Being under the influence and/or misuse of a controlled substance, or abuse of prescription drugs will also not be tolerated. This also includes substances similar to that of a controlled substance (e.g., “designer drugs”).

   iv) As a deterrent against the illegal use of drugs, and in accordance with Department of Transportation procedures, all Cadets are subject to selection for a random drug test.

      (1) At random times during the school year, Cadets will be informed that they have been selected for a drug test. They must comply with procedures of the published program within the time specified or be dismissed from the Corps for non-compliance.

      (2) Cadets may be informed by school email, or at ZOPT 100/300 that they have been selected for a drug test.

   v) They must comply with CFRs of the published program within the time specified or be dismissed from a summer cruise and the Corps for non-compliance.

   vi) In accordance with 46 CFR 16.230, refusal to participate in a drug test, constitutes a “positive” drug test and the appropriate disciplinary actions will follow.

b) Drug Testing Policy for Documented Employees and Students:
i) In accordance with procedures for Transportation Workplace Drug Testing programs established by the Office of the Secretary of the Department of Transportation and administered under U.S. Coast Guard Regulations, 46 CFR Parts 4, 5, and 16; Texas A&M University at Galveston shall test for the following drugs: marijuana, cocaine, opiates, phencyclidine (PCP) and amphetamines. All tests shall be performed by the Department of Health and Human Services (DHHS) certified laboratories which meet the requirements of 49 CFR 40.

ii) University Policy - Employees Holding a Merchant Marine Document and Cadets Who Test Positive

A TAMUG employee or cadet who, under any testing procedure required by this Policy, tests positive or refuses to submit to a test shall be removed from duties which directly affect the safety of the vessel's navigation or operations as soon as practicable, and will be subject to job termination and/or suspension from the Corps of Cadets, as applicable and will be reported to the Coast Guard as required under 46 CFR 16.201. An employee or cadet who tests positive during a cruise period, shall be terminated or suspended from the Corps, as applicable, and the employee or cadet shall be responsible for their cost to return home.

A person terminated from employment or suspended from the Corps may reapply for employment or readmission to the Corps in accordance with this Policy. Readmission to the Corps will be on a case-by-case basis, taking into account the person's prior performance and potential.

iii) Pre-Employment Testing

Commencing 21 December 1989 all persons applying for employment with TAMUG who are required to hold a Merchant Marine license or document and license-option cadets prior to their first training cruise shall be required to pass a chemical test for dangerous drugs.

(1) Exempted from this requirement are individuals who possess satisfactory proof that they have passed a pre-employment test for another employer or a periodic chemical test within the previous six months. Also exempted are persons who have been subject to a random drug testing program meeting the requirements of 46 CFR part 16.230 during the period of the previous twelve months. These persons must present proof that they have not failed or refused to participate in such testing.

(2) In the event that an employee applicant's drug screen is positive and that person is holding a valid Merchant Marine license or document, the test results will be reported in writing to the nearest Coast Guard Officer in Charge Marine Inspection, (OCMI). Also, in the event of a positive screen of an applicant or refusal to take a test, there will be no consideration of employment.

(3) The employee applicant who was denied employment because of a positive drug screen may reapply for employment after six months. At that time, the applicant must submit a current drug free certificate from a recognized Medical Review Officer (MRO). Employment will be considered based on the individual meeting the job requirements for the position. In addition, the individual shall agree to be subject to increased, unannounced testing for a period as determined by the MRO of up to 60 months.
iv) Random Testing

All students and employees working for the University who, by law and assigned responsibilities, are required to hold a Merchant Marine document shall be subject to random drug testing in accordance with regulations promulgated by the Coast Guard.

(1) Each employee and cadet shall have an equal chance of selection for testing through their period of employment or enrollment as a student. The selection shall be made by drawing up to twenty-five percent of the employee and cadet names at a time. All personnel whose names have been drawn shall be placed back into the pool so that their names could be drawn again.

(2) Crew members and cadets will be tested on an annual rate of not less than fifty percent.

(3) The test results of any crew member or cadet testing positive will be reported in writing to the nearest Coast Guard Officer in Charge, Marine Inspection (OCMI).

v) Periodic Testing

Any employee, working for the University, who is an applicant for an original issuance or a renewal of a license or certificate of registry (COR), a raise in grade of a license, a higher grade of COR, an original issuance of a merchant mariner's document (MMD), the first endorsement as an able seaman, lifeboatman, qualified member of the engine department, or tankerman, or a reissuance of an MMD with a new expiration date shall be required to pass a chemical test for dangerous drugs.

(1) The applicant shall provide the results of the test to the Coast Guard Regional Examination Center (REC) at the time of submitting an application.

(2) The test results must be completed and dated not more than 185 days prior to submission of the application.

(3) An applicant need not submit evidence of passing a drug test as required above if he or she provides satisfactory evidence that:

   (a) he or she has passed a chemical test for dangerous drugs within the previous six months with no subsequent positive chemical test during the remainder of the 6 month period; or

   (b) during the previous 185 days been subject to a random testing program required by 46 CFR 16.230 for at least 60 days and did not fail or refuse to participate in a chemical test for dangerous drugs.

vi) Serious Marine Incident Testing

The University will test an individual whose action or failure to act is determined to be a causative factor in the events leading to a serious marine incident in accordance with 46 CFR 4.06.

(1) A serious marine incident is defined as:
Any marine casualty or accident that occurs upon the navigable waters of the United States, its territories or possessions or any casualty or accident wherever such casualty or accident occurs involving any United States' vessel, including accidental grounding, or any occurrence involving a vessel which results in damage by or to the vessel, its apparel, gear, or cargo, or injury or loss of life of any person; and includes among other things, collisions, stranding, groundings, foundering, heavy weather damage, fires, explosions, failure of gear and equipment and any other damage which might affect or impair the seaworthiness of the vessel which must be reported to the Coast Guard under 46 CFR 4.05-1 and which results in any one of the following:

(a) One or more deaths;

(b) An injury to a crew member, passenger, or other person which requires professional medical treatment beyond first aid, or which renders the individual unfit to perform routine vessel duties;

(c) Damage to property in excess of $100,000.00;

(d) Actual or constructive total loss of any vessel subject to inspection;

(e) Actual or constructive total loss of any self-propelled vessel not subject to inspection under 46 U.S.C. 3301 of 100 gross tons or more;

(g) Discharge of a reportable quantity of hazardous substance, whether or not resulting from a marine casualty.

(2) Any crew member or cadet on the training vessel who is determined to be directly involved in a serious marine incident shall provide, within 24 hours of the incident, urine specimens, and blood or breath specimens, or both for chemical tests as required by 46 CFR 4.06-10 when directed to do so by the University or a law enforcement officer.

(3) If an individual refuses to provide blood, breath or urine specimens, this refusal shall be noted on Form CG-2692B and in the vessel's official log book.

(4) No University crew member or cadet may be forcibly compelled to provide specimens for chemical tests required by 46 CFR 4; however, refusal is considered a violation of regulation and could subject the individual to suspension and revocation proceedings under 46 CFR 5 and removal from any duties which directly affect the safety of the vessel's navigation or operations.

(5) Whenever a crew member or cadet has been identified as being directly involved in a serious marine incident, CG-2692B form shall be completed and submitted to the nearest OCMI. The test results shall be submitted to the same OCMI for each person who was on the original form CG-2692B.

In incidents involving discharges of oil or hazardous substances, a report will be filed with the Coast Guard OCMI having jurisdiction over the location where the discharges occurred or nearest the port of first arrival following the discharge. Any TAMUG crew member or cadet who has been identified as being directly involved shall be tested as per the requirements of 46 CFR 4.06 and results reported to the same OCMI.
vii) Reasonable Cause Testing

The University shall require any crew member or cadet who is reasonably suspected of using a dangerous drug to be chemically tested for dangerous drugs.

(1) The University's decision to test shall be based on a reasonable and articulable belief that the individual has used a dangerous drug based on direct observation of specific, contemporaneous physical, behavioral, or performance indicators of probable use. Where practicable, this belief should be based on the observation of the individual by two persons in supervising positions.

(2) When the University requires testing of an individual under the provisions of this section, the individual shall be informed of that fact and directed to provide a urine specimen as soon as practicable. This fact shall be entered in the vessel's official log book.

(3) If a crew member or cadet refuses to provide a urine specimen when directed to do so by the University under the provisions of this section, this fact shall be entered into the vessel's official log book.

(4) The test results of any crew member or cadet testing positive will be reported in writing to the nearest Coast Guard OMCI.

viii) Test Collection and Handling Procedures

Urine specimens shall be collected by trained personnel using collection and shipping kits meeting the requirements of 40 CFR 49 and CFR 40 and 46 CFR 16.330 (b). The University shall ensure that the collection site is adequate to provide for collection security, temporary storage, and expeditious shipping of specimens to a DHHS-certified laboratory.

(1) Security procedures shall provide a secure collection site.

(2) No unauthorized personnel shall be permitted in any part of the collection site when specimens are collected nor shall unauthorized personnel be allowed access to stored specimens. Safeguards to ensure integrity of specimens shall be maintained at all times.

(3) TAMUG shall establish and maintain a chain of custody for each specimen to be chemically tested. If a specimen is not immediately prepared for shipment, it shall be safeguarded during temporary storage. TAMUG shall make every effort to minimize the number of persons handling specimens.

(4) The Training ship shall have in possession at all times specimen collection and shipping kits (that meet 49 CFR 40) to be used to collect specimens and ship them to a certified drug testing laboratory.

(5) TAMUG shall ensure that the specimen and chain of custody documents are promptly shipped by an expeditious means to a certified testing laboratory.

ix) Medical Review Officer (MRO)

TAMUG shall designate a MRO meeting the qualifications of 49 CFR 40.27 and 49 CFR 40.33(b).
(1) All laboratory reports will be sent to the designated MRO. Whenever a report contains a confirmed positive result, the MRO shall review and interpret the report and submit the findings to TAMUG.

(2) In accordance with 46 CFR 16.201 (c) and 46 CFR 16.370 (d), before a crew member who has had a positive report may return to work, the MRO shall determine that the crew member is drug free and the risk of subsequent use is sufficiently low to justify return to work.

(3) Before a cadet who has had a positive report may report onboard in a working/training capacity, the MRO shall determine that the cadet is drug free and the risk of subsequent use is sufficiently low to justify return onboard in a working/training capacity.

(4) Any crew member or cadet who has failed a chemical test shall agree to be subject to increased, unannounced testing for a period as determined by the MRO up to sixty months or until no longer employed or discharged from the cadet training program.

x) Record keeping

The Superintendent's Office will maintain all results of drug screens on students. Employees' results will be filed in the Human Resources Office. All drug screens are considered confidential. Only persons who have a legitimate need to know the test results shall be informed.

(1) Negative Tests shall be maintained by TAMUG for a period of one year.

(2) Positive Tests shall be maintained by TAMUG for five years and shall be made available to the Coast Guard upon request.

(3) TAMUG records shall contain the total number of crew members and cadets tested annually in each category of the testing program, including the annual number of individuals testing positive and the number and types of drugs for which individuals tested positive.

xi) Release of Information

Except as provided for in 46 CFR 16 and 46 CFR 4.06-60, TAMUG shall not release individual test results or other personal information from anti-drug program records.

(4) Individual results from a drug test required by 45 CFR 16 may be released if the individual tested signs a specific authorization for the release of the results to an identified person.

(5) Nothing in this section shall prevent an individual tested under this policy from obtaining the results of that test.
xii) Employee/Cadet Assistance Program

TAMUG shall provide an Employee/Cadet Assistance program (ECAP). TAMUG's ECAP shall include education and training on drug use for crew members, cadets and ship supervisory personnel. The program will include the following elements:

(c) Display and distribution of the University's policy regarding drug and alcohol use in the workplace.

ARTICLE 1104 – DISCIPLINE AND DISMISSAL FOR POSITIVE DRUG TEST

1) The usual sanction for any Cadet testing positive in a drug test is suspension from the Corps of Cadets and the Texas A&M Maritime Academy for at least one year.

a) Pursuant to 46 CFR, 16.230, refusal to participate in a drug test, constitutes a “positive” drug test; therefore, the usual sanction of suspension from the Corps of Cadets and the Texas A&M Maritime Academy for at least one year applies.
ARTICLE 1201 – FORMATIONS
1) It is mandatory for all Cadets to attend formation.
   
a) Muster will be taken and general inspection will be conducted.
      
i) Cadets will receive demerits if they do not attend formation, are not groomed (i.e., unshaven, need of haircut, etc.), or they are not in the correct uniform.
      
ii) Cadets who stood the 0000-0400 or 0400-0800 watch are excused from formations that day.
   
b) Mandatory formations and Corps Trips.
      
i) Corps Trips are directed by the Superintendent.
         
(1) Excused absences from mandatory activities require a military letter submitted in CorpsApps and approved by the Commandant (or designee).

(5) Failure to obey a direct order from the Superintendent will result in appropriate discipline that may include conduct review and conduct probation.
   
ARTICLE 1202 – PURPOSE OF FORMATIONS
1) Formation of units is a critical part of close order drill. The purpose of formations are:
   
a) To build unit cohesion and esprit de corps by recognizing Cadets during awards and promotion ceremonies.
   
b) To maintain continuous accountability and control of personnel.
   
c) To provide frequent opportunities to observe the appearance and readiness of the uniforms of each Cadet.
   
d) To keep each Cadet informed by providing the means to pass the word.
   
e) To develop command presence in unit leaders.
   
f) To instill and maintain high standards of military bearing and appearance in units and in each Cadet.
   
g) To add color and dignity to the daily routine by reinforcing the traditions of excellence associated with close order drill.
   
ARTICLE 1203 – EXCUSAL FROM MANDATORY EVENTS
1) Cadets may be excused from mandatory corps events with approval from the Office of the Commandant. Excusal is at the discretion of the Commandant (or designee). Excusal disapprovals may be appealed to the
Commandant who will make the final decision.

2) Excusals should be in the form of a Military Letter submitted via CorpsApps.
   a) Military letters should include when the cadet is wanting to be excused and for what reason.
   b) Example:
      “I am requesting to be excused from room inspection on Thursday morning, and CQ on Thursday evening to attend the funeral of my grandmother. Please see the attached obituary.”
      “I am requesting to be excused from ZOPT 100. I woke up with flu-like symptoms and will be seeing the doctor today. I will provide a doctor’s note after the appointment.”

3) Excusals based on Student Rule 7 with proper documentation will be approved.

**ARTICLE 1204 – DRILL**

1) Close order drill is one of the cornerstones of naval customs, courtesies and traditions. These traditions are perpetuated from one generation to the next through constant use and practice. Through these traditions, “esprit de corps” of every member is brought by their ever-present feeling of pride not only in their unit, but also in themselves. A high standard of discipline and ‘esprit de corps’ should not only be maintained and preserved, but also further strengthened.

2) The United States Coast Guard uses the Marine Corps Drill and Ceremonies Manual as an official reference and guide for planning and conducting drills and ceremonies for the purpose of uniformity between the naval services. In keeping with this practice, the Corps of Cadets of the Texas A&M Maritime Academy has adopted and integrated the Marine Corps Drill and Ceremonies Manual.
   a) All Cadets will be familiar with essential drills provided by instruction from key Cadets leaders in accordance to the Marine Corps Drill and Ceremonies Manual.
      i) Drills, march-ins, and ceremonial activities will be scored and graded as performance measures.

**ARTICLE 1204 – OBJECTIVE AND PURPOSE OF DRILL**

1) The objective of close order drill is to teach Cadets by exercise to obey orders and to do so immediately in the correct way. Close order drill is one foundation of discipline and esprit de corps. It is still one of the finest methods for developing confidence and Cadet leading abilities in subordinates/rising leaders.

2) The purpose of drill is to:
   a) Move units from one place to another in a standard, orderly manner.
   b) Provide simple formations from which other formations may be readily assumed.
   c) Teach discipline by instilling habits of precision and automatic response to orders.
   d) Increase the confidence of leaders through the exercise of command, by giving proper commands, and by control of drilling troops.
   e) Give subordinates the opportunity to handle command at the smallest formation level.
CHAPTER 13 – CADET HEALTH AND FITNESS

ARTICLE 1301 – PHYSICAL FITNESS

1) Maintaining a reasonable amount of physical fitness is important in the Corps of Cadets regardless of the Cadet’s program affiliation (i.e., Drill & Ceremonies, NROTC, and License Option). From climbing up and down the many ladders on the Training Ship General Rudder to keeping up with the fast pace of college life, a well-conditioned body and mind will help you succeed in school as well as your future careers. Additionally, the U.S. Coast Guard and the U.S. Navy require you to pass certain physical standards if you want to join their service. For these reasons, physical fitness is emphasized and strongly encouraged for all Cadets.

2) Physical fitness training is required for every entering Cadet class. At the discretion of the Corps Commander and Commandant, Cadets who have completed three (3) full years in the academy may have the opportunity to “test out” of weekly PT by passing a US Navy Physical Fitness Assessment.

   a) Corps-wide physical fitness training is restricted to one day per week. The date and time will be agreed upon by the Commandant, Corps Commander, and NROTC.

   b) Physical fitness training will not be conducted prior to 0530.

   c) Upper-class Cadets responsible for Fish physical fitness training will also actively participate in such training.

   d) A full-time staff member of the Office of the Commandant must be present for all physical fitness training.

   e) Unless authorized by the Commandant, all physical fitness training will take place in the immediate vicinity of Texas A&M Maritime Academy Hall.

      i) Training exercises in restricted areas (e.g., the building’s weather deck, stairwells, hallways, and wetlands) is strictly prohibited.

3) The Corps of Cadets will utilize US Coast Guard Weight and Body Fat Standards Program Manual (https://media.defense.gov/2019/Apr/05/2002110152/-1/-1/0/CIM_1020_8H.PDF) as a reference for Cadet fitness.

   a) NROTC/SSMP Midshipmen will utilize standards established by their respective program.

ARTICLE 1302 – DIET AND NUTRITION

1) Along with physical fitness training, Cadets are strongly encouraged to maintain a healthy diet and control of physical weight. A reasonable and nutritional diet will go a long way toward helping Cadets learn to live a healthy lifestyle.

   a) Cadets seeking information regarding diet and nutrition are strongly encouraged to visit the Texas A&M University at Galveston link on Chartwells’s page (https://dineoncampus.com/tamug).
CHAPTER 14 – SAFETY

ARTICLE 1401 – TEXAS A&M MARITIME ACADEMY SAFETY MANAGEMENT SYSTEM

Smoking in unauthorized places, at unauthorized times, and careless handling of lighted cigarettes are the usual cause of fire aboard ship. Smoking aboard ship is highly discouraged. Specific precautions listed below will be strictly observed: NO SMOKING IS ALLOWED ON BOARD THE TRAINING VESSEL WHILE AT TAMMA PIER.

ARTICLE 1403 – EXPLOSIVE LIQUIDS
1) Keeping explosive/liquid in staterooms is strictly prohibited.

2) The unauthorized introduction, use, or storage of flammable, or combustible explosive material aboard ship is strictly prohibited.
ARTICLE 1404 – MATCHES/LIGHTERS/OPEN FLAMES

1) Only safety matches or are permitted for use aboard ship.

2) “Zippo” type lighters are permitted, but lighter fluid may not be stored in berthing areas.

3) The unauthorized burning of incense, candles and the introduction or use of flammable, combustible or non-controlled combustible devices aboard ship are prohibited and grounds for dismissal from the Corps.

ARTICLE 1405 – SAFETY & SECURITY

3) Cadets will lock their doors when away from their rooms and at night when going to bed. Do not lend your ID card to any individual. Report a lost key immediately.

4) Do not allow someone to follow you into the residence hall after you swipe your card, especially if that person is unfamiliar to you (including uniformed Cadets).

5) Keep hallways clear. Place trash cans at the end of the hallways outside the fire doors.

6) Candles (with or without wicks), incense, oil lamps, and other devices which use an open flame (including potpourri pots) are prohibited in the Corps residence halls. Refer to the TAMUG Residence Hall Manual.

7) Additional safety information is described in the TAMUG Residence Hall Manual.
ARTICLE 1501 – ILLNESS OR INJURY

1) While on campus at Texas A&M University at Galveston, Cadets are responsible for seeking treatment of all personal injuries or illness. Costs of treatment, examination or consultation are the responsibility of the individual Cadet.

a) Cadets covered by medical insurance should carry proof of such insurance to facilitate processing of claims. For any incident that might happen on or off-campus or on the Training Ship during the school year, the Cadet’s family insurance plan is their primary option for compensation.

i) It is the Cadet’s responsibility to confirm that their family insurance plan will cover them while on training cruise especially when not in the United States. This should include repatriation and hospital care in a foreign country.

ii) Cadets should reference https://tamug.myahpcare.com/ for information regarding availability of student insurance policies.

b) Cadets should contact the Student Services office for information regarding student health services offered by UTMB in partnership with Texas A&M University at Galveston.

i) Emergency medical treatment in Galveston is available in the Emergency Room of UTMB. The emergency room (901 Harborside Dr.) should be utilized for treatment of any serious injury or serious illnesses occurring. Emergency room expenses are the responsibility of the Cadet.

ii) SSMP Midshipmen receiving student incentive payments (SIP) are covered by Worker’s Compensation for injuries that happen during Corps activities to include shipboard related accidents.

(1) When a Cadet is injured, the Ship Captain and their staff are notified first, followed by the Commandant and Superintendent.

(2) All worker’s compensation accidents must have an accident form completed and faxed to Maritime Administration within 24 hours of the incident, by the Chief Mate or the First Assistant Engineer. If this is not done, it may delay or even prevent an individual from receiving any compensation.

c) A Cadet being admitted for hospitalization shall, if possible, request that Texas A&M University at Galveston be notified.

i) For any treatment given, a written report shall be obtained and submitted to the Office of the Commandant as fit/not fit for duty or light duty and shall be signed by the attending physician.
