

## **Dorothy McFarlane and John August West Jr, "Mimi and Bo" Memorial Scholarship**

**Established in 2024 by Terri and George O'Kelly '90**

Terri and George O'Kelly, both class of 1990 graduates from Texas A&M are strong advocates for Texas A&M University at Galveston, where their two sons and daughter-in-law are Aggies by the Sea. In honor of Terri's grandparents, Dorothy (Mimi) and August (Bo) West, Terri established the Dorothy McFarlane and John August West Jr, "Mimi and Bo" Memorial Scholarship to support students in the maritime and logistics program, providing financial assistance to those pursuing careers in the maritime industry.

Mimi spent more than 20 years in the logistics field, working as a traffic and shipping coordinator in Freeport. Terri shared several stories about Mimi, and she sounded like an absolute firecracker!

Terri and George's passion for the Galveston campus drives their support, as they hope their scholarship will ease the financial burden on students and help cultivate the next generation of maritime leaders.
