Acknowledgement

I understand that I must email a copy of my course schedule to Ms. Anna Budvitis at atprim2@tamug.edu within the business week of requesting the wavier. For all students who request a waiver in the beginning of the semester, your course schedule will be verified throughout the semester to ensure your schedule maintains your original reason(s) of not being able to participate fully in the Regents' Scholars program. Failure to communicate changes in your schedule (i.e. credit-bearing courses) can lead to future scholarship disqualification.
