

**Master of Marine Biology (MS) Non-Thesis program**  
**Expedited Application for Fall 2020**

Dear Students,

Congratulations on your upcoming graduation! Completing your baccalaureate degree is huge accomplishment!

Given the impact of the current COVID-19 pandemic worldwide, we realize that students may feel a little unsure when thinking about their future employment prospects right now.

For Fall 2020, Texas A&M University at Galveston's professional (non-thesis) program in Marine Biology (MS) is offering an expedited admissions process into graduate school for graduating TAMUG seniors. There is no application fee required and GRE scores and letters of recommendation are being waived for Fall 2020.

Please see our graduate viewbook for more information on each program,  
<https://www.tamug.edu/grad/pdf/GraduateViewbook.pdf>

To be automatically admitted into the **Master of Marine Biology (MS) Non-thesis program**, students should meet the following criteria:

- a 3.5 GPA threshold
- May 2020 or August 2020 graduate
- Expedited application (below)
- Admission essay

**All completed applications should be emailed to [kinslown@tamug.edu](mailto:kinslown@tamug.edu).**

If students do not have greater than 3.5 GPA, their application will be reviewed by the graduate admissions committee for admission consideration.

For questions about the MARB professional (non-thesis) program or curriculum please reach out to Dr. Dan Roelke at [droelke@tamug.edu](mailto:droelke@tamug.edu). For questions about the application process, please reach out to Nicole Kinslow, Director of Graduate Studies at [kinslown@tamug.edu](mailto:kinslown@tamug.edu).
