## How to use the Zoom Client to start your Zoom lecture

1. Go to https://tamu.zoom.us/ and select "***Download Zoom***" if you haven't downloaded the Zoom Client app. If you have the Zoom Client app installed please jump to Step 4 on this tutorial.

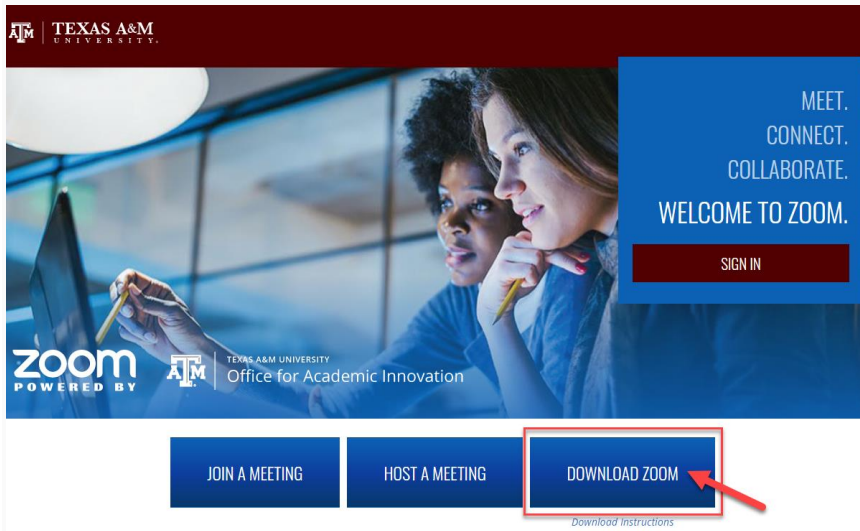

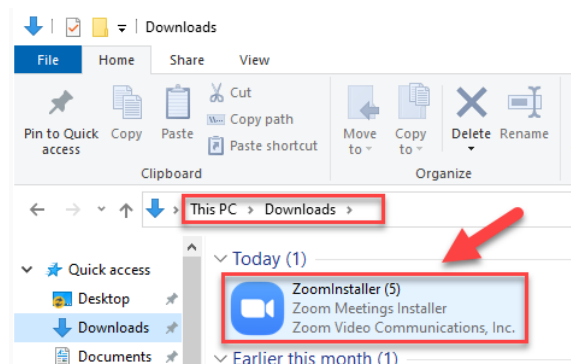

2. Select "***Download***" under "Zoom Client for Meetings".

3. Double click on the "***ZoomInstaller.exe***" file that you just downloaded and follow the steps to complete the installation. If you cannot find the file, go to your PC folders/Downloads.
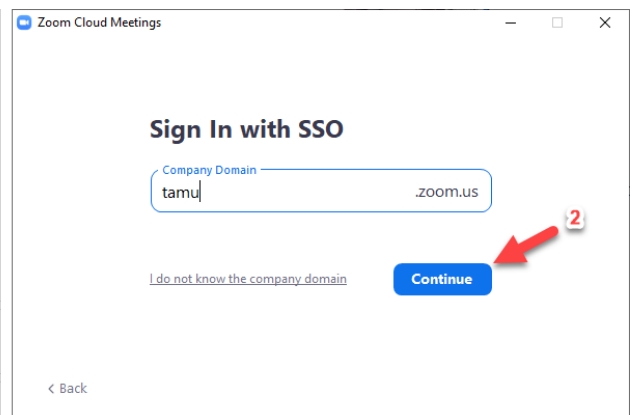

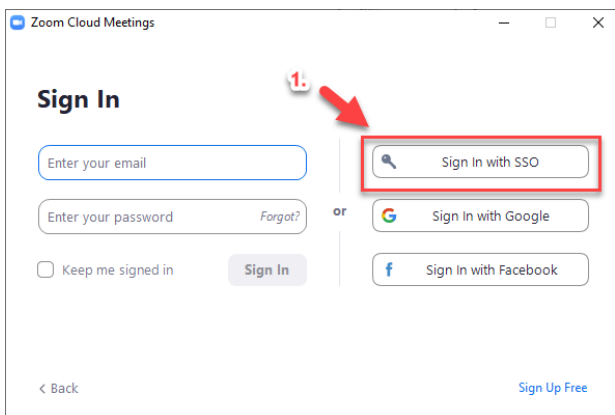

4.  On your "search" tool (located on the bottom of your screen for Windows systems) type "*Zoom*", this will display your Zoom app. Click the "*Start Zoom*" icon to open the app.

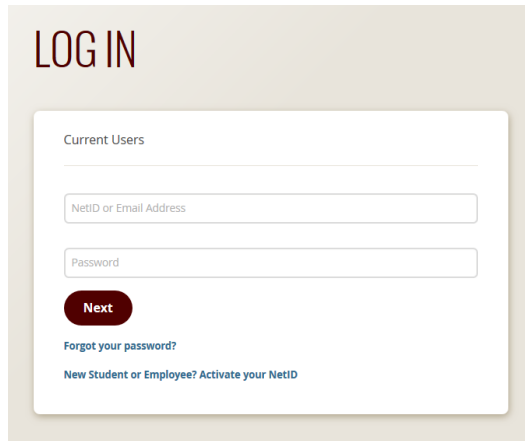

5.  Open the Zoom app and select "*Sign In*".

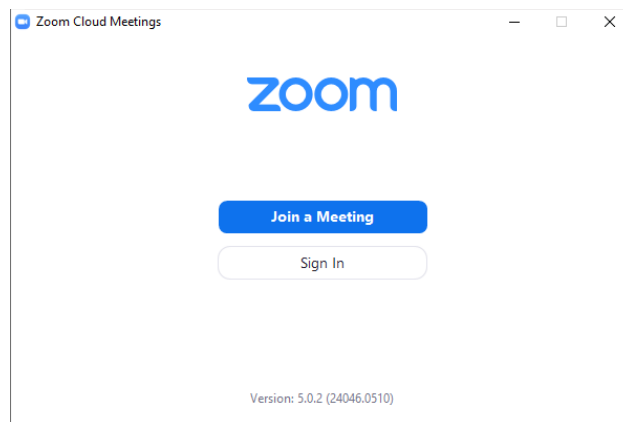

6.  Select "*Sign In with SSO*", Company Domain is "**TAMU.**zoom.us**"**, then select "*Continue*".

7. **Log in** with your **TAMU NetID** and **password** under the Central Authentication Service window.

8. After you have logged in, you can start using Zoom with your Pro account, schedule new meetings, join a meeting, or start your scheduled meeting. To start a meeting that you scheduled, go to the top of your app and click "**Meetings**".
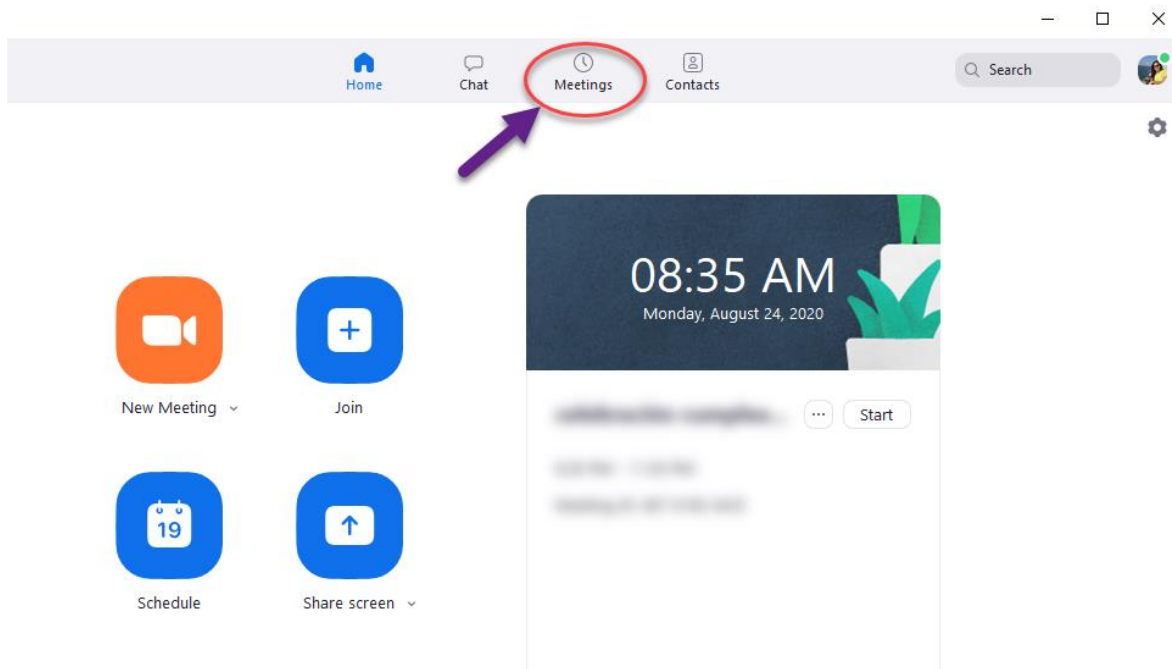

9. Select the online lecture that you already scheduled and click "Start" to start your online lecture.
