

Master of Marine Resource Management 3+2 Program

The Master of Marine Resource Management (MARM) 3+2 Program allows Coastal Environmental Science and Society (CESS) majors in the Department of Marine and Coastal Environmental Science (MCES) to enter the MARM Program at the beginning of their senior year. This enables students to earn the CESS undergraduate degree and the MARM graduate degree in five years.

Applicants to the 3+2 MARM Program are required to submit the same materials and are subject to the same admission criteria as other MARM applicants. Requirements for admission to the MARM 3+2 Program include:

- a minimum 3.25 GPA;
- completion of all prerequisite courses for undergraduate degree; and
- completion of 101 or 102 hours by the Fall semester of their fourth year.

To be considered for the MARM 3+2 Program, applicants should submit the following materials:

1. MARM 3+2 application (form enclosed)
2. Transcripts
3. GRE Scores (currently waived)
4. Resume/curriculum vitae
5. Three recommendations (form enclosed), some or all of which may be from MCES faculty

Students applying to the MARM 3+2 Program who wish to pursue the Research Track (thesis) must also submit a *Research Track Letter of Intent* (enclosed).

Applications for fall semester entrance are due by May 1, and for spring semester entrance, October 1.

**Please submit all documents to the MARM Program Coordinator,
Dr. Ashley Ross, at ashleydross@tamug.edu.**

Master of Marine Resource Management 3+2 Program Application
