

Jack T. Jansen

Merchant Marine Officer

SUMMARY

- Experienced merchant marine deck officer with USCG unlimited Master's license and endorsements for the Convention on the Standards of Training Certification on Watchkeeping (STCW)
- Over 25 years' maritime expertise in vessel safety and security, navigation, cargo operations, regulatory inspections, dry dock and shipyard operations, deep sea and intercoastal voyages
- Five years' experience as Texas Maritime Academy instructor
- Bachelor of Science degree in Marine Transportation
- Associate of Science degree in Fire Science with Emergency Medical Technician training

SEAGOING EXPERIENCE

Served as licensed officer aboard passenger vessels, bulkers, container ships, roll on roll off cargo vessels, and training ships. Managed personnel, training, and cargo operations. Implemented and audited flag state and company policies. Ensured vessel compliance to local and international laws. Specialized experience transporting military cargo during Iraqi Freedom and Enduring Freedom campaigns. Unlicensed deck experience aboard container vessels and inland tug and barge units.

TEACHING EXPERIENCE

Served as Instructor in the Marine Transportation Department at Texas A&M University at Galveston-Texas Maritime Academy. Taught lecture and lab courses in Seamanship, Firefighting, Vessel Safety and Security, and Navigation to maritime cadets pursuing bachelor of science degrees and USCG 3rd Mate unlimited licenses. Developed curriculum; collaborated with department and university personnel; advised students regarding degree plans, program objectives, and career opportunities. Developed university-wide mentoring program--paired students with industry mentors to provide career guidance and networking.
