TECHNOLOGY SERVICES

Helpdesk is located in CLB 113.

www.tamug.edu/it

<https://software.tamu.edu/Default.aspx>

DO NOT SHARE STUDENT'S NETID AND PASSWORD

Parents/Guardians can create their own Howdy username and password based on what the student sets up on the Parent/Guardian Access channel in their Howdy portal on the My Record tab. Please see Student Enrollment Services for more information.

DUO Enrollment

The University requires two-factor authentication using the DUO app for most campus IT resources. The student's cell phone should be used for authenticating their log in. Please don't use a guardian's device for DUO since you won't have access to it while on-campus.

Wi-Fi

Log into TAMUG Wi-Fi with NetID and password in campus buildings other than the residence halls.

Wi-fi in the Residence Halls is maintained by Apogee and is called ResNet. They are available 24 x 7 x 365. Apogee's contact information is provided during the students' open floor meeting when they move into their Residence Hall.

Printing

Available in all computer labs and Library. There is a quota which is reset at the beginning of every semester. Students can always purchase more. Copying is available in the Bookstore in ASEC.

Computer for College of Engineering Students

College of Engineering has a Bring Your Own Device (BYOD) policy. Computer recommendations can be found by googling TAMU Engineering BYOD. Or by following the link in the student's AIS portal, under the NSC checklist item for Bring Your Own Device.
