

Making the path to medical school  
a reality for Texans

*Considering a career in medicine but think  
medical school is beyond your reach?*

## **Joint Admission Medical Program**

- Helps Texas students achieve their dreams with guaranteed admission to one of the state's ten medical schools
  - Offers financial and academic support to help them get there
    - Ensures they will excel
-

**JAMP** was created by the Texas Legislature to support and encourage highly qualified, economically disadvantaged Texas resident students pursuing a medical education.

# What is JAMP?

---

Goal- Help Texas students become tomorrow's medical professionals by providing:

- ***Financial Support*** through undergraduate and medical school scholarships.
- ***Mentoring and personal assistance*** to prepare students for medical school while attending college
- ***Hands-on experience*** at medical schools through summer internships.
- ***Guaranteed admission*** to Texas medical school if all program requirements are met.

# The Goal of JAMP

---

- Baylor College of Medicine
- The Texas A&M Health Science Center
- Texas Tech University Health Sciences Center
- Texas Tech University Health Sciences Center/Paul L. Foster School of Medicine
- The University of North Texas Health Science Center/Texas College of Osteopathic Medicine
- The University of Texas Southwestern Medical Center at Dallas
- The University of Texas Medical Branch at Galveston
- The University of Texas Health Science Center at Houston
- The University of Texas Health Science Center at San Antonio
- The University of Texas Rio Grande Valley
- Dell Medical School – The University of Texas at Austin

# Participating Medical Schools

---

- *Apply to College* ✓
- *Take the SAT or ACT (must have scores not less than the average for the state of Texas)* ✓
