

BROOKE HEATHER CHAPMAN MEMORIAL SCHOLARSHIP

ESSAY PROMPT

In memory of Brooke Heather Chapman, the Plant Maintenance, Inspection and Engineering Society has established a scholarship fund in her name to assist current TAMUG students.

Brooke Heather Chapman was born September 20, 1992 in Houston, Texas. She graduated from Clear Lake High School in 2011 where she was a member of the Falcon Band, pole vaulted for the track team and was active in numerous organizations. After high school, Brooke attended Texas A&M University in Galveston, graduating in three years with a degree in Maritime Administration. Brooke was a beautiful, fun loving, adventurous girl who was filled with a contagious joy. She enjoyed her life and the people in it were the most important thing to her; she dearly loved her family and friends. While Brooke was a dedicated student and employee, personal relationships were the most important thing to her. She was a constant reminder that true kindness still exists. Brooke worked for Kirby Offshore Marine after graduating from TAMUG before a tragic auto accident took her life.

The impact Brooke had on her co-workers was so great they named a tugboat in her memory shortly after her death, the MV BROOKE CHAPMAN. This memorial scholarship is to honor her life. This scholarship is intended for those individuals whose choices and passions reflect those of Brooke Chapman. It is for someone with a good balance between fun and discipline in their life. We are looking for someone who is excited about their future and a scholarship can help them get where they want to be. In a few words, tell us about yourself.

Write an essay in 1000 words or less, demonstrating the qualities and characteristics that you possess that were exemplified by Brooke Heather Chapman.
