“Loved the way she went through things. It was relaxed were I was comfortable, but professional at the same time. She used colors to make things stand out for my classes taken and going to take. Best adviser by far! Coming back to her with any other questions!”

“This advising meeting was extremely helpful. I appreciate the positivity of my advisor.”

“Krista always has the answers to any complex question I may have, and if she is unsure she always goes to check and make sure the information she is providing me with is completely accurate. Without her and this program my college experience would be a shot in the dark with lots of complications.”

“Amanda answered questions with genuine interest and kindness.”

“Barbara does more to help the MART students than any other advisor. She knows about our major and can help us more efficiently and correctly than other advisors. MART is a very unique major and having someone like Barbara who can help us and be ready with the correct information about our ever-changing requirements is invaluable to cadets.”

“He was very encouraging and excited to help and listen”

“This was a great advising appointment for me! Everything was so easy and I felt like I learned a lot, and everything was explained perfectly.”
